5. Policy Considerations

Relevant extracts of the Statement of Licensing Policy as regards this application include:

IMP 1 The Council will normally grant applications for premises licences and club premises certificates subject to conditions which are consistent with the Operating Schedule and any mandatory conditions prescribed within the Act. Where relevant representations are received the Council may impose additional conditions as considered necessary in order to promote the licensing objectives which arise out of those representations.

IMP 2 The Council will strike a fair balance between the benefits of a licensed premises to a community and the risk of disturbance to local residents. Consequently, in certain areas, upon receipt of representations by any Responsible Authority or any other person, the Council may restrict the hours of operation of licensable activities.

IMP 3 The Council will normally grant premises licences for a time period of not earlier than 10.00 a.m. and a terminal hour of no later than 11.30 p.m. for those premises licensed to sell alcohol for consumption on the premises and which are located in primarily residential areas. However, hours beyond 11.30 p.m. may be permitted:

- a. for premises located in predominantly commercial areas, such as the City Centre and where there is a high level of accessibility to public transport services;

or

- b. the licensable activities would not be likely to cause adverse impact especially on local residents, and that, if there is a potential to cause adverse impact, appropriate measures will be put in place to prevent it;

or

- c. there will not be any increase in the cumulative adverse impact from these or similar activities, on any neighbouring residential area and the activity will not be likely to lead to a demonstrable increase in car parking demand in surrounding residential streets or on roads.

G2 The Council will attach conditions to licences, which are tailored to the individual style and characteristics of the premises. Such conditions will normally be drawn from the Council's pool of conditions. Where appropriate, additional conditions will be formulated based on an individual case following receipt of relevant representations.

6. Legal Considerations

The decision must be taken following consideration of the representations received with a view to promoting the licensing objectives which are:

- a. Prevention of crime and disorder
- b. Public Safety
- c. Prevention of Public Nuisance
- d. Protection of Children from Harm

In each case the Sub-Committee may make the following determination:

- a. To grant the application as applied
- b. To grant the application and modify what is requested by the application in respect of activities, times and conditions, by altering, omitting or adding to them, where relevant.
- c. Reject the whole or part of the application.

All decisions taken by the Sub-Committee must

- a. be within the legal powers of the Council and its Committees;
- b. comply with any procedural requirement imposed by law;
- c. be undertaken in accordance with the procedural requirements imposed by the Council eg. standing orders and financial regulations;
- d. be fully and properly informed;
- e. be properly motivated;
- f. be taken having regard to the Council's fiduciary duty to its taxpayers; and
- g. be reasonable and proper in all the circumstances.

7. Issues for discussion

- a) The proposed licensable activity and permitted hours sought by the application.
- b) The content of the operating schedule in promoting the four licensing objectives.
- c) The representations made in respect of the application.
- d) Newport City Council's Statement of Licensing Policy 2015

 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Representation served by PC 531 Austin, Police Licensing Officer, Heddlu Gwent Police - Responsible Authority

HEDDLU GWENT POLICE

RELEVANT REPRESENTATIONS
PREMISES LICENCE / CLUB PREMISES CERTIFICATE
UNDER S. 17 OF THE LICENSING ACT 2003

Representations by the Police to be made within 28 Days of receipt of the application.

Date application received: **14TH July 2020**

Date representations sent to Licensing Authority: **17th July 2020**

Name of authority: **Newport County Council**

Premises Name and address: **Fair Price, 128 Chepstow Road, Newport, NP19 8EF**

Applicant's Name: **Parminder Singh & Tejinder Singh**

Applicant's Contact Address: **[REDACTED]**

Representations made on the following grounds due to undermining of one or more of the Licensing Objectives.

The Prevention of Crime and Disorder, Public Safety, The Prevention of Public Nuisance, The Protection of Children from Harm

This application for a new Premises Licence has been considered by Gwent Police and contact made with the applicant. To clarify, it is the wish of the applicant that the opening hours of the premises will be 06:00 hours to 22:00 hours Monday – Sunday and that alcohol sales will start from 07:00 hours until 22:00 hours Monday – Sunday.

It is the opinion of Gwent Police that the application in its original form could undermine the licensing objectives. Gwent Police would ask that the following conditions be added.

- (i) The CCTV equipment shall be maintained in good working order and continually record when licensable activity takes place.
- (ii) The premises licence holder shall ensure images from the CCTV are retained for a period of 31 days. This image retention period may be reviewed as appropriate by the Licensing Authority and any other authorised person.
- (iii) The correct time and date will be generated onto both the recording and the real time image screen;
- (iv) If the CCTV equipment (including any mobile units in use at the premises) breaks down the Premises Licence Holder shall ensure the designated premises supervisor, or in his/her absence other responsible person, verbally informs the Licensing Authority and the Police as soon as is reasonably practicable. This information shall be contemporaneously recorded in the incident report register and shall include the time, date and means this was done and to whom the information was reported. Equipment failures shall be repaired or replaced as soon as is reasonably practicable and without undue delay. The Licensing Authority and the Police shall be informed when faults are rectified;
- (v) The premise licence holder shall ensure that there are trained members of staff available during licensable hours to be able to reproduce and download CCTV images into a removable format at the request of any authorised officer of the Licensing Authority or a constable;
- (vi) There shall be clear signage indicating that CCTV equipment is in use and recording at the premises.
- (vii) Alcohol sales will not start until 09:00 hours. As it stands, 07:00 hours is not acceptable due to the fact many pubs / clubs in the city centre have a licence until 06:00 hours so there is nothing stopping intoxicated persons from attending this location and purchasing more alcohol which would undermine one or more of the licensing objectives. If the applicant does not agree with a 09:00 hours start time for the sale of alcohol then Gwent Police would require SIA registered door staff to be in place between the hours of 07:00 and 09:00.
- (viii) The Premises Licence Holder shall operate and maintain an up-to-date Register of Refusals of Sale of Alcohol, indicating the date, time and reason for refusal which shall be made available for inspection by any Responsible Authority under the Licensing Act 2003. The DPS shall check the book once a month ensuring that it is complete and up to date. The DPS will sign the book each time it is checked.
- (ix) The premises shall operate a Challenge 25 policy and signage will be displayed to indicate this is in operation. The age check shall be made by examining either a passport, photographic driving licence or a PASS approved proof of age card. No other form of identification shall be accepted.
- (x) Fully documented staff training, to include training on the Premises Licence conditions as well as the premises' Challenge 25 Policy must be given. Training must be undertaken at regular intervals throughout the calendar year, at a minimum every 6 months. Staff must sign and date documentation at the conclusion of their training session, acknowledging that they have received and fully understood the training provided to them.

This can be made for inspection by any Responsible Authority under the Licensing Act 2003.

It is felt that the representations made are reasonable and appropriate having regard to the location. If the applicant is agreeable to the addition of conditions as proposed in the representation Gwent Police would withdraw their representations.
