## Cabinet

---

### Part 1

Date: 14<sup>th</sup> October 2020

**Subject** Newport City Council Covid 19 Response and Recovery Update

**Purpose** To present to Cabinet an update on the Council's progress being made towards recovering services and supporting Newport's communities as part of its Strategic Recovery Aims.

**Author** Chief Executive of Newport City Council  
Head of People and Business Change

**Ward** All

**Summary** In March 2020, the Covid-19 health emergency impacted on the delivery of Council services, Newport's communities and businesses as lockdown and social distancing measures were introduced. The immediate response of the Council and its strategic partners was to preserve life and minimise the spread of the virus; maintain continuity of front line and supporting services; and to support the city's communities and the vulnerable. This report provides an overview of what action the Council has taken to date and the progress against the Strategic Recovery Aims

Following the last Cabinet Report in September 2020, Newport had seen a significant increase in the number of positive Covid-19 cases in the community and has entered into a localised lockdown. The Council's Civil Contingencies 'Gold Team' alongside its Track, Trace and Protect service, Incident Response Teams and partners including the Strategic Coordination Group have taken necessary actions and shared communications with the community in order to reinforce current restrictions and reduce the spread of the virus.

**Proposal** Cabinet is asked to consider the contents of the report and note the progress being made to date, the risks that are still faced by the Council.

**Action by** Corporate Management Team

**Timetable** Immediate

**Signed**

## Background

Since the last Cabinet Report in September 2020, Newport Council and its partners have continued to monitor vigilantly the Covid-19 cases in the City through its role at the multi-agency Strategic Co-ordination Group (SCG), the Council's Emergency Response Team (Covid Gold) and liaison with Welsh Government and Public Health Wales partners.

## Covid-19 Response (October 2020)

In September, through Public Health Wales (PHW) monitoring, the number of positive Covid-19 cases had significantly risen in Newport and across local authorities in Caerphilly, Blaenau Gwent, Rhondda Cynon Taf, Merthyr and Bridgend. The measures were expanded to all local authorities in South East Wales. With the restrictions in place it means:

- People will not be allowed to enter or leave Newport without a reasonable excuse;
- People will no longer be able to form, or be in, an extended household (sometimes called a "bubble");
- Meeting indoors with anyone who is not part of your household (people you live with) will not be allowed, unless you have a good reason, such as providing care to a vulnerable person;
- All licensed premises will have to close at 11pm; and
- People must work from home wherever possible.

This is in addition to existing restrictions brought in nationally by the Welsh Government around social gatherings and mandatory wearing of face masks in enclosed spaces such as shops and public transport. Throughout this period of time Newport Council alongside Public Health Wales, Welsh Government (WG) and other organisations have been communicating to residents and businesses the importance of adhering to the restrictions and best practice relating to hygiene, social distancing and Track, Trace, Protect (TTP). The Council has also set up Incident Management Teams to support the new localised measures and to respond to any community and setting outbreaks in the City.

Over the next six months, throughout the winter period, we are expected to live alongside this virus as well as managing seasonal winter flu and the cold virus. As the Council responds to these incidents it is likely that this will have an impact on the delivery of some Council services. This report provides an overview of what action the Council has taken to date and the progress against the Strategic Recovery Aims. In addition as part of the Council's performance and risk reporting, further reports will be provided to Cabinet on delivery against service plans, Strategic Recovery Aims and the Council's Corporate Plan.

## Progress of Delivery against Strategic Recovery Aims

Outlined in Appendix 1 of the report is a detailed update on the progress of delivery being made against the Strategic Recovery Aims. A summary of the progress to 30th September 2020 as follows:

<b>Strategic Recovery Aim 1 – Supporting Education &amp; Employment</b>	<ul style="list-style-type: none"><li>• As of 2<sup>nd</sup> October, 12 primary schools have had positive cases and 15 contact groups have been required to self-isolate. Additionally, 4 secondary schools have had positive cases and 10 contact groups have been required to self-isolate. There have been no recorded cases of children attending NCC special schools or nursery schools.</li><li>• Hot school meal service was reinstated at two primary schools from 14<sup>th</sup> September. Further reinstatement of hot meal service across remaining schools will be announced in due course.</li><li>• Schools are submitting plans via EAS for the delivery of Accelerating Learning Programme (ALP) and Recruit, Recover, Raise Standards.</li><li>• £20k (ALP) given to Children services to support Children who are Looked After and re-engagement of learners who are at risk from criminal exploitation.</li><li>• Ongoing work to improve IT infrastructure and procure additional devices for schools. <p><b>Strategic Recovery Aim 2 – Supporting the Environment and the Economy</b></p>	<ul style="list-style-type: none"> <li>• Transforming Towns has repurposed £100k to support Small and Medium sized Enterprises to carry out winter resilience works such as outdoor heaters and awnings.</li> <li>• Work commenced on the demolition of Tredegar Court to allow for the replacement of bedsits with flats.</li> <li>• The Council has secured £1.4m funding to proceed with redevelopment of Information Station and Museum and Library buildings.</li> <li>• Collaboration with Registered Social Landlords to deliver Innovative Housing Programme and Optimised Retrofit programme.</li> <li>• NCC was the first Welsh local authority to place an order to supply a new all electric Refuse Collection Vehicle which is planned to be operational by April 2021.</li> <li>• Community solar installation across multiple sites will be completed and public electric vehicle charge points will be operational in Council car parks in the autumn.</li> <li>• Supporting businesses to comply with new Covid-19 restrictions.</li> </ul>
<p><b>Strategic Recovery Aim 3 – Supporting the Health &amp; Wellbeing of Citizens</b></p>	<ul style="list-style-type: none"> <li>• Test, Trace and Protect Service has been supporting the Strategic Coordination Group and Public Health Wales with contact tracing.</li> <li>• Regulatory services continuing to support businesses to comply with the new restrictions.</li> <li>• The Council and its Public Service Board partners have commenced the review of the Active Travel Map for Newport as well as the commencement of planned Active Travel schemes.</li> <li>• Internally, the organisation has supported staff in different ways to continue to provide services to residents – signposting to mental health support from our occupational health department, counselling provision and regular advice and guidance in staff communications on a range of wellbeing topics. Each piece of communications that goes out has a wellbeing focus to support the resilience of staff working during this challenging period.</li> </ul>
<p><b>Strategic Recovery Aim 4 – Supporting Citizens post Covid-19</b></p>	<ul style="list-style-type: none"> <li>• Progress is being made on the actions from the Strategic Housing Forum to address specific issues relating to housing in Newport.</li> <li>• Anti-social Behaviour (ASB) Groups are working with partners to mitigate incidents of ASB, and as autumn is approaching work is being undertaken via communications team to ensure safe Halloween and bonfire nights.</li> <li>• Safer Pill Group has met on two occasions to deliver a partnership action plan. A community steering group has also been established to consult on, and shape priorities.</li> <li>• Perception survey relating to the Council's response to Covid-19 was undertaken and results are being analysed with initial findings being positive in terms of support provided to households. Further bus wi-fi survey to be completed in October.</li> <li>• Collaborating with the Fairness Commission, the Council delivered eight engagement sessions with the most affected groups identified in the Community Impact Assessment. The results are now being incorporated into the Assessment and informing a Participatory Budgeting Programme commencing in October.</li> <li>• Neighbourhood Hubs are gradually increasing the number of face-to-face appointments whilst ensuring that COVID-19 regulations are strictly adhered to. This will ensure we can provide a balanced and flexible offer for residents requiring support in person or digitally.</li> <li>• Black History Wales 365 campaign supported by NCC – launching start of Black History Month. Monthly engagement and communications activities planned throughout the year</li> <li>• BAME specific business support is being commissioned,(seminars and workshops) to support existing and start-up businesses across the city</li> <li>• Positive action plan being developed to further develop the council's offer in terms of employment opportunities to under-represented/disadvantaged groups</li> <li>• Leader has established and chairs a BAME community forum in order to progress Black Lives Matter areas of focus</li> </ul>

## Financial Summary

The Council's financial (revenue and capital) update is reported separately as part of the Council's budget management. The Covid-19 impact is reported to Cabinet and as highlighted in previous finance reports, the Council's financial position continues to be closely monitored in light of significant reductions in income and increase in costs to deliver services during the crisis.

## Risks

Through the Council's Risk Management process, the Covid-19 risk is reported every quarter to the Council's Cabinet and Audit Committee. Below is the latest update taken from the Quarter 1 2020/21 risk report update.

### Comments of Chief Financial Officer

Welsh Government have been supporting local authorities through the pandemic with a Hardship Fund intended to reimburse for all Covid related spend over and above existing budgets and within a set criteria. This will run to the end of the current financial year.

Additional monies have also been made available by WG for any lost income that local authorities are incurring, and again recently extended this fund to the end of the financial year. This excludes Council Tax income which is under significant strain.

In essence, Covid related, eligible expenditure are predominantly funded by the WG. A revenue budget monitor to end of September will be reported to the Cabinet in November and include the latest position. Financial forecasts are slowly improving as the Council continues to incur vacancy cost savings and other savings linked to the new ways of working currently in place e.g. less travel costs. These are required to mitigate against delayed delivery of savings and loss of Council Tax income which together are significant.

All costs which are not eligible for WG funding will need to be funded from services own budgets and will be reported as and when they develop over the year. Service areas have been asked to minimise these, wherever possible where they create overspending.

### Comments of Monitoring Officer

There are no specific legal issues arising from the Report, which provides an update on the actions taken to deliver the Council's Strategic Recovery Aims and progress since the September report. Any legal issues will be picked up at the appropriate time as part of the operational delivery of the individual actions, within service areas. The main developments since the last report are in relation to the local lock-down restrictions, the escalation in compliance and enforcement work and the significant increase in the Test, Trace Protect contact tracing work.

## **Comments of Head of People and Business Change**

The recovery of the Council's services is important to ensure that we are able to build on the strong collaborative work that the Council has delivered in the last 6 months to manage this crisis. The role of Civil Contingencies, emergency planning and preparation is vital to ensure that the Council is able to continue to deliver services but also minimise the risks posed on Newport's communities.

The Council's supporting services and our partners are building on the advancements made to ensure we are able to operate safely and maintain the necessary social distance guidelines. The progress detailed in this report highlights the continuous work that is being made and build up resilience in the long term.

## **Comments of Cabinet Member**

The Leader of the Council is briefed on all aspects of the Council's strategic recovery.

## **Local issues**

Members to be aware of the impacts that Covid is having on our Local Communities and business.

## **Scrutiny Committees**

## **Equalities Impact Assessment**

The findings outlined in the Council's Covid-19 Community Impact Assessment have informed the development of the Strategic Recovery Aims as well as future strategic and operational decision making.

## **Children and Families (Wales) Measure**

Not applicable.

## **Wellbeing of Future Generations (Wales) Act 2015**

The areas covered in this report demonstrate the progress being made against the Strategic Recovery Aims which also support the Council's Corporate Plan 2017-22. In consideration of the sustainable development principle and 5 ways of working:

**Long Term** – The progress reported against the Strategic Aims support the long term aims of the Council to improve people's lives.

**Preventative** – The preventative work outlined in the report support the Council's approach to minimising future covid 19 outbreaks and as necessary provide targeted support to those that need it. Re-establishing services in line with necessary legislation and regulation enables the Council to operate in the new normal.

**Integration** – The Strategic Recovery Aims have been integrated with the Council's Wellbeing Objectives set in the Corporate Plan as well as Service Plans. Recommendations from the Community Impact Assessment will also shape how the Council can improve the delivery of services across communities.

**Involvement** – Included in this report are actions to involve Newport's communities to provide assurance and shape the way in which services are being delivered by the Council. Their feedback and involvement in the process will enable the Council to consider how services are delivered in the long term.

**Collaboration** - The actions in the report are being undertaken in collaboration with partners from the Council's Public Services Board but also strategic partners within each service area. The collaborative work enables the Council to share resources and build expertise and knowledge.

Strategic Recovery Aims

Dated: October 2020

## Appendix 1 – Progress of Delivery against Strategic Recovery Aims (as at end of 30<sup>th</sup> September 2020)

<p><b>Strategic Recovery Aim 1 – Supporting Education &amp; Employment.</b> Understand, and respond to, the additional challenges, which Covid19 has presented, including loss of employment, impact on business and on the progress, achievement and wellbeing of both mainstream and vulnerable learners.</p>		
<p><b>Supports Wellbeing Objective 1 – To improve skills, education and employment opportunities.</b></p>		
<p><b>Strategic Aim Step</b></p>	<p><b>Update (September Cabinet 2020)</b></p>	<p><b>Update (October Cabinet 2020)</b></p>
<p>Support schools and other educational establishments to safely reopen for staff and pupils.</p>	<ul style="list-style-type: none"> <li>• The Council's Education service has operational guidance on full –re-opening of schools from Welsh Government (WG). The guidance recognises pupil contact groups should be maintained as far as possible but will not be the same for specific circumstances.</li> <li>• Education Services has met with all Heads (Primary / Secondary / Special) via TEAMS to discuss their return to school plans. No obstacles have been raised and each school is required to complete a health &amp; safety assessment. Schools outside of the Council's cleansing service have will need to ensure arrangements are in place and schools contracted with the Council have been asked what additional cleaning services are required.</li> <li>• Education Services is collating each return to school plan and are aiming to be open from 7<sup>th</sup> September. Repurposing days will be held on 1<sup>st</sup> and 2<sup>nd</sup> September to prepare for the arrival of all pupils.</li> <li>• School Transport (Pupil Transport Unit) have received updated guidance suggesting no requirement for social distancing on dedicated school transport and no mandatory requirement for users to wear face masks.</li> <li>• Post 16 provision is being explored by Secondary Head teachers to see how they can operate successfully but the issue of concessionary sets remains unresolved.</li> <li>• For primary schools there will be no provision for paid school meals until 14<sup>th</sup> September. Before this date pupils will need to bring their own pack lunch and Chartwells will provide cold "grab-bag" lunches for all free school meal pupils. The aim is for hot meals to be made available after the 14<sup>th</sup> September. Free school milk scheme for Nursery and Foundation phase pupils will recommence from 7<sup>th</sup> September.</li> <li>• For secondary schools pupils will have "grab and go" bags which will include a got hand-held product e.g. panini for the first 2 weeks. Further provisions and requirements will be discussed with each school.</li> </ul>	<ul style="list-style-type: none"> <li>• As of 2<sup>nd</sup> October, 12 primary schools have had positive cases and 15 contact groups have been required to self-isolate. Additionally, 4 secondary schools have had positive cases and 10 contact groups have been required to self-isolate. There have been no recorded cases of children attending NCC special schools or nursery schools.</li> <li>• Face coverings are now required to be used by all pupils over the age of 11 who are accessing home to school transport. This requirement has been in place since 1<sup>st</sup> September 2020.</li> <li>• A hot school meal service was reinstated at two primary schools from 14<sup>th</sup> September. Further information will be shared with Head teachers across Newport shortly with a view to the hot meal service being reinstated on all sites as soon as possible.</li> <li>• Breakfast Club provision is variable across the city. A large proportion of schools have chosen to postpone the re-establishment of breakfast clubs whilst arrangements for statutory schooling are allowed to embed and stabilise. Further information is due to be shared with Head teachers shortly for consideration when determining future provision. Some schools have however already implemented Breakfast Club provisions, albeit that these differ to pre-Covid operations. In some schools, numbers have reduced, in others a grab-bag facility enables children to be provided with a free breakfast in the classroom environment.</li> <li>• The Council has a statutory duty to provide free school meals for eligible pupils, and this requirement still stands in cases where a pupil is required to self-isolate. Given the documented prevalence of Coronavirus across Newport, this position is likely to change significantly as time progresses. A solution is therefore required to ensure that appropriate provision is established to ensure that the Council's statutory duties around Free School Meal provision can be fulfilled. As at 11<sup>th</sup> September 129 pupils entitled to free school meals were required to self-isolate. We are awaiting further guidance from Welsh Government on this matter.</li> <li>• Newport Norse is reporting high levels of sickness amongst staff employed to support the 24 schools who are within the Cleaning SLA. At present, requirements continue to be met, but this is being monitored closely.</li> <li>• Test, Trace and Protect (TTP) held with all schools hosted by NCC Health and Safety and Environmental Health in collaboration with Education Services</li> </ul>
