Date: 16 December 2020

Subject Newport City Council Covid-19 Response and Recovery Update

Purpose To present to Cabinet an update on the Council's progress being made towards recovering services and supporting Newport's communities as part of its Strategic Recovery Aims.

Author Chief Executive
Head of People and Business Change

Ward All

Summary The Covid-19 health emergency has been ongoing since March 2020 and has impacted all communities and businesses across Newport as the City has continued to adapt and respond to the necessary restrictions to minimise the spread of the virus. Newport Council's response has been to ensure continuity of services with our strategic partners, support vulnerable residents across communities, support businesses and ensure the safety of staff. This report provides an overview of what action the Council has taken to date and the progress against the Strategic Recovery Aims.

Since the last Cabinet Report and 'Fire Break' in November 2020 community spread of Covid-19 has remained prevalent across Newport and South East Wales. With the current restrictions in place the Council's Civil Contingencies 'Gold Team' alongside Strategic Coordination Group and Incident Management Teams have taken necessary actions and shared communications supporting communities and businesses to reinforce the requirements.

Proposal Cabinet is asked to consider the contents of the report and note the progress being made to date, the risks that are still faced by the Council.

Background

Since the last Cabinet Report on 11th November 2020, Newport Council and its partners have continued to monitor vigilantly the Covid-19 cases in the City through its role at the multi-agency Strategic Co-ordination Group (SCG), the Council's Emergency Response Team (Covid Gold) and liaison with Welsh Government (WG) and Public Health Wales partners.

Covid-19 Response (12th November 2020 to 7th December 2020) and Restrictions in place over the Festive period

Since the 'Fire Break' that was in place for two weeks (23rd October to 9th November 2020), the spread of Covid-19 remains prevalent across communities in Newport and across South East Wales and unfortunately families have continued to lose loved ones as a result of the virus. The Welsh Government (WG) has continued to keep a number of national measures in place following the end of the national firebreak period which include:

- Two household's bubbles can be formed;
- Non-essential business can remain open;
- 15 people can meet indoors for organised activities;
- 30 people can meet outdoors for organised activities;
- No travel restrictions within Wales; and
- Work from home where possible.

In addition to the measures above, the WG introduced new national restrictions for the hospitality and indoor entertainment sectors including:

- Pubs, bars, restaurants and cafes will have to close by 6pm and will not be allowed to serve alcohol.
- After 6pm pubs, bars, restaurants and cafes they will only be able to provide takeaway services.
- Indoor entertainment venues, including cinemas, bingo halls, bowling alleys, soft play centres, casinos, skating rinks and amusement arcades, must close.
- Indoor visitor attractions, such as museums, galleries and heritage sites will also have to close.
- Travel between Wales and areas in the UK with high rates of coronavirus will not be allowed

Welsh Government will formally review these restrictions by December 17 and then every three weeks.

Between 23rd and 27th December the Welsh Government in conjunction with the other three nations (England, Scotland and Northern Ireland) has relaxed the restrictions to enable households and their families to come together over the festive period. This will mean that families can:

- Form an exclusive 'Christmas bubble' composed of no more than three households;
- You can only be in one Christmas bubble;
- You can travel anywhere within the UK for the purposes of meeting your Christmas bubble;
- You must not form a Christmas bubble if you are self-isolating.

Whilst these rules have been relaxed, all Governments are urging households to keep to the social distance guidelines, to take sensible and common sense approaches to meeting in their Christmas Bubbles. All Nations have also indicated that there may be further restrictions after this period to prevent further large outbreaks as the restrictions have been relaxed.

Covid-19 Vaccine

In the last month, significant steps have been taken by medical science and pharmaceutical companies to roll out the vaccines across the country. WG alongside the Health Boards and Local Authorities are making arrangements to support this rollout on a priority basis as soon as the vaccine is received. As stated by UK and WG, the vaccine programme will take some time to reach all demographics and Covid-19 will remain. This will still mean that as restrictions will remain in place for the foreseeable future and it is encouraged for individuals, households and work places to keep necessary social distancing measures in place.

Newport Council Activity and Progress in delivering Strategic Recovery Aims

Newport Council through its Covid Gold team and Incident Management Team have continued to monitor the Covid-19 cases and to ensure new cases are being processed through the Track, Trace and Protect service. As summarised in the table below, service areas are still delivering services to the communities and supporting the most vulnerable and marginalised during this winter period. Outlined in Appendix 1 of the report is a detailed update on the progress of delivery being made against the Strategic Recovery Aims. A summary of the progress to 30th November 2020 as follows:

<p>Strategic Recovery Aim 1 – Supporting Education & Employment</p>	<ul style="list-style-type: none"> • Across Newport schools, Covid-19 cases remain and schools are taking necessary self-isolation action as per the Welsh Government guidance issued. As per the Welsh Government guidance issued, all secondary school pupils in Newport are now required to wear face masks in communal areas. • As at 13th November, 698 Supermarket vouchers in total had been issued in relation to self-isolating pupils and 7,501 to support free school meals provision over the recent half-term and firebreak periods. • School attendance data for the first half term of the academic Year (Sept/Oct 2020) highlights similar rates of attendance in both primary and secondary schools. The rate of attendance at special schools was significantly lower than that of primary and secondary sectors. • Community Regeneration is working in partnership with Digital Communities Wales to deliver a Welsh Government project which will loan IT equipment and provide data for eligible clients on the Communities for Work (CFW) and CFW Plus projects. • The Reach/Restart project continues to offer support to refugees across the city via virtual meetings, email, phone service. • Pilot project being rolled out by WG and Digital Communities Wales to provide free BT Wi-Fi vouchers to asylum seekers and refugees across Newport, providing six months of unlimited internet access. • BAME specific business support proposal being progressed with Business Wales and independent consultant.
<p>Strategic Recovery Aim 2 – Supporting the Environment and the Economy</p>	<ul style="list-style-type: none"> • A total of 25 grant applications approved for Transforming Towns Fund to support businesses to trade throughout the winter with Covid 19 restrictions. • We have been successful in securing over £1million of additional funding for affordable housing in Newport. This will support the development of units on two RSL developments. • Newport City Council along with a range of Public Services Board Partners have signed up to the Gwent Healthy Travel Charter. • To support businesses in Newport, all NCC owned car parks are free over December and January to encourage visitors to safely shop and eat in the run up to Christmas.
<p>Strategic Recovery Aim 3 – Supporting the Health & Wellbeing of Citizens</p>	<ul style="list-style-type: none"> • Housing Support has been extended to assist homeless people to move into temporary accommodation. • Carers Rights Day was on the 25th November and an information bulleting will be sent to over 500 people registered as part of the carer's network. • The Commissioning team will administer the additional payments to social care providers (SSP enhancement scheme) to ensure any staff member required to self-isolate will receive their full pay. • The Museum Central Library and larger branch libraries have re-established the appointment only access system as per the pre firebreak arrangements. • Internally, the workforce has continued to be supported through provision of DSE assessment and provision of equipment where necessary, in addition to a range of wellbeing toolkits, support and training.
<p>Strategic Recovery Aim 4 – Supporting Citizens post Covid-19</p>	<ul style="list-style-type: none"> • Phase 2 capital project progressing with regular communications between partners and WG • Ongoing support and pathway activities to homeless people in Newport to establish long term solutions. • Foodbank working group, Disability Group and EU Citizens forum continue to meet virtually • WG hate crime in schools project being delivered across schools, raising awareness of identity based bullying and equipping children with critical thinking skills

	<ul style="list-style-type: none"> • A range of activities and services continue to be delivered across Community regeneration facilities in the City within current social distancing requirements. • The perception survey is currently being extended using the 'bus wifi' technology which will increase responses and broaden the demographic spread. Results should be available in December. • Participatory budget is now underway across the City.

Financial Summary

The Council's financial (revenue and capital) update is reported separately as part of the Council's budget management. The Covid-19 impact is reported to Cabinet and as highlighted in previous finance reports, the Council's financial position continues to be closely monitored in light of significant reductions in income and increase in costs to deliver services during the crisis.

Risks

Through the Council's Risk Management process, the Covid-19 risk is reported every quarter to the Council's Cabinet and Audit Committee. Below is the latest update taken from the Quarter 2 2020/21 risk report update.

Comments of Chief Financial Officer

Welsh Government have been supporting local authorities through the pandemic with a Hardship Fund intended to reimburse for all Covid related spend over and above existing budgets and within a set criteria. The fund also includes loss of income compensation; again, within a set criteria. The fund excludes 'Council Tax loss of income' which is currently under significant strain and 'Council Tax Reduction Scheme costs reimbursement' – both of which are monitored carefully. The fund will run to the end of the current financial year. It is continually developing and evolving to support specific initiatives as and when required.

In essence, Covid related, eligible expenditure are predominantly funded by the WG. A revenue budget monitor to end of September reported to November Cabinet confirmed a positive overall position for the Council and includes the impact of the financial assistance provided from the Hardship Fund as well as the normal and routine budget issues that affect the Council.

All costs which are not eligible for WG funding will need to be funded from services own budgets and will be reported as and when they develop over the year. Service areas have been asked to minimise these, wherever possible where they create overspending.

Comments of Monitoring Officer

There are no specific legal issues arising from the Report, which provides an update on the actions taken to deliver the Council's Strategic Recovery Aims and progress since the October report. Any legal issues will be picked up at the appropriate time as part of the operational delivery of the individual actions, within service areas. The main developments since the last report are in relation to the fire-break lock-down and the continuing restrictions in the lead up to the Christmas period. There continues to be an increase in the Test, Trace Protect contact tracing work, with numbers of cases and positivity rates rising throughout Gwent. Extra grant funding has been secured from Welsh Government to recruit additional contact tracers and contact advisers to deal with the increasing cases.

Comments of Head of People and Business Change

The recovery of the Council's services is important to ensure that we are able to build on the strong collaborative work that the Council has delivered in the last 6 months to manage this crisis. The role of Civil Contingencies, emergency planning and preparation is vital to ensure that the Council is able to continue to deliver services but also minimise the risks posed on Newport's communities as new restrictions are implemented.

The Council's supporting services and our partners are building on the advancements made to ensure we are able to operate safely and maintain the necessary social distance guidelines. The progress detailed in this report highlights the continuous work that is being made and build up resilience in the long term.

The HR implications are as outlined in the report as we continue to support the workforce through provision of equipment and a range of wellbeing measures.

The areas covered in this report demonstrate the progress being made against the Strategic Recovery Aims which also support the Council's Corporate Plan 2017-22. In consideration of the sustainable development principle and 5 ways of working:

Long Term – The progress reported against the Strategic Aims support the long term aims of the Council to improve people's lives.

Preventative – The preventative work outlined in the report support the Council's approach to minimising future covid 19 outbreaks and as necessary provide targeted support to those that need it. Re-establishing services in line with necessary legislation and regulation enables the Council to operate in the new normal.

Integration – The Strategic Recovery Aims have been integrated with the Council's Wellbeing Objectives set in the Corporate Plan as well as Service Plans. Recommendations from the Community Impact Assessment will also shape how the Council can improve the delivery of services across communities.

Involvement – Included in this report are actions to involve Newport's communities to provide assurance and shape the way in which services are being delivered by the Council. Their feedback and involvement in the process will enable the Council to consider how services are delivered in the long term.

Collaboration - The actions in the report are being undertaken in collaboration with partners from the Council's Public Services Board but also strategic partners within each service area. The collaborative work enables the Council to share resources and build expertise and knowledge.

<p>Support schools and other educational establishments to safely reopen for staff and pupils.</p>	<ul style="list-style-type: none"> • As of 19th October, 18 primary schools have had positive cases and 24 contact groups have been required to self-isolate. Seven secondary schools have had positive cases and 13 contact groups have been required to self-isolate. One special school has reported a case and one contact group has been required to self-isolate. There have been no recorded cases of children attending NCC nursery schools. • Schools have been providing either face to face or distance learning to pupils in line with guidance for the National 'fire-break' lockdown from Friday 23rd October to 9th November. • A hot school meal service reinstated on all primary school sites from 2nd November 2020. • Arrangements to support free school meal entitlement for pupils unable to attend school due to self-isolation have now been implemented via a £19.50 per week supermarket voucher scheme, similar to that used to support eligible families during the summer term. • There continues to be a variable position regarding Breakfast Clubs. Head teachers are aware that Welsh Government's view is that there should be a return to pre-Covid arrangements however individual decisions regarding the reinstatement of this provision have been taken by Head teachers and Governing Bodies following completion of risk assessments and, where appropriate, fairness and equality impact assessments. Where provision has been reinstated, this also varies with some schools offering a traditional but reduced service, with others implementing a classroom-based approach. • There continues to be a variable position regarding Breakfast Clubs.
