

Report

Audit Committee

Part 1

Date: 25 March 2021

Item No: 5

Subject Quarter 3 2020/21 Corporate Risk Register Update

Purpose To present an update of the Corporate Risk Register for the end of quarter 3 (31st December 2020).

Author Head of People and Business Change

Ward All

Summary The Council's Corporate Risk Register monitors those risks that may prevent the Council from achieving its Corporate Plan or delivering services to its communities and service users in Newport.

At the end of quarter 3, the Council had 52 risks across its eight service areas. Eighteen of the 52 risks were recorded in the Council's Corporate Risk Register and considered to have a significant impact on the achievement of the Council's objectives and statutory obligations. At the end of quarter three, there were no new or escalated risks from service area risk registers; and one risk was closed. Overall, there were 10 Severe risks (risk scores 15 to 25); 6 Major risks (risk scores 7 to 14) and 2 Moderate risks (risk scores 4 to 6) that are outlined in the report.

The role of Audit Committee is to review and monitor the corporate governance and risk management arrangements in place, with comments and recommendations of the Committee on risk process considered by Cabinet.

Proposal Audit Committee is asked to consider the contents of this report and assess the risk management arrangements for the Authority, providing any additional commentary and/or recommendations to Cabinet.

Action by Corporate Management Team and Heads of Service

Timetable Immediate

This report was prepared after consultation with:

- Corporate Management Team

Signed

Background

The Wellbeing of Future Generations (Wales) Act 2015, requires Newport City Council to set Wellbeing Objectives in its Corporate Plan 2017-22. With any Corporate Plan there will be risks that may prevent the Council from achieving its objectives. The Council's Risk Management Policy and Corporate Risk Register enables the Council to effectively identify, manage and monitor those risks to ensure that the Council realises its Plan and ensure service delivery is provided to its communities and citizens. In July 2020 the new Risk Management Policy for 2020-22 was approved by the leader of the Council. This policy is attached as part of the background papers of this report for reference.

As outlined by the terms of reference in the Council's Constitution, the Audit Committee is required to review and monitor the corporate governance and risk management arrangements in place, with comments and recommendations of the Committee on risk process considered by Cabinet.

In February 2021, the Local Government and Elections Bill received Royal Assent and will change the Council's Constitution in the role and responsibilities of the Audit Committee and the Council's Scrutiny Committees. We are still awaiting confirmation from Welsh Government that the requirements in the Act will not need to be implemented until 1st April 2022.

Covid-19 / Brexit, Newport City Council Response

Much like the quarter one period, during quarter two Newport City Council's continued to focus on supporting front-line services, protecting lives and minimising the spread of Covid-19. As part of the Council's Civil Contingencies arrangements, the Council's Gold Command group consisting of Heads of Service and Chief Executive to monitor the situation; and to manage emerging operational / community risks. This group also links into the wider Strategic Coordination Group and Welsh Government structures and these arrangements remain in place at the time of this report.

Similarly, the Council has continued to monitor the situation in the Brexit Trade negotiations between the UK Government and European Union. The Brexit risk score presented in this report reflects the position at the time (31st December 2020).

Risk Management Process

In Newport City Council risks that may prevent or impact on the delivery of our services is continuously monitored and managed at all levels of the organisation. The following diagram below summarises how risks are continuously managed in Newport City Council.

There are many different sources of risks, such as civil contingencies, health & safety, service delivery and projects throughout the organisation where risks to the delivery of the Corporate Plan, or services might be identified and included on the Council's risk register. New risks identified to be included on the register have to be assessed and evaluated to determine their risk scores (Inherent / Residual / Target), existing controls that are in place and where further mitigating controls are required to respond and reduce the overall impact of the risk to the Council. To assess risk scores Newport City Council uses a standard 5x5 matrix that is commonly adopted across Welsh authorities. English local authorities report shows a heat map of the Council's corporate risks using this matrix.

All risks identified have to be initially agreed by the Head of Service. If the residual risk score is 15 or above or if the Head of Service considers the risk to have an impact on the delivery of services / achievement of objectives in Council, it is escalated to the Council's Corporate Management Team (CMT) to determine whether it is included on the Council's Corporate Risk Register or if the risk should be managed by the relevant service area(s).

All risks are recorded in the Council's 'Management Information Hub'. Every quarter, risk owners, and risk action owners are required to assess and provide an update on the risk score and mitigating actions in place. Any risk that has escalated to 15 or above is automatically escalated and requires the Directors team to consider whether it should be included on the Corporate risk register or if they are satisfied that the responsible owner and mitigating actions are effective to be managed within the service area / team.

As risk mitigating actions are completed and the risk is reduced to meet the target risk score, an assessment will be undertaken by the risk owner to determine whether the risk is closed and if the risk mitigation actions have been sufficient to mitigate the overall risk. For risks on the Corporate Risk Register this responsibility would fall onto the Risk Owner and CMT to determine if the risk can be closed.

Quarter three risk update

Service areas' have aligned the objectives and actions in the 2020/21 service plans with the [Council's Strategic Recovery Aims](#). Service areas also continue to consider any new and/or emerging risks that are impacting on the delivery of their services.

At the end of quarter three (to 31st December 2020), service areas had recorded 52 risks (including Corporate Risks) recorded in their risk registers. Four risks (Three Service and one Corporate Risk) were closed.

Service Area	Q3 Risks	Risk Scores Increased since Q2	Risk Scores Decreased since Q2	No Change since Q2	New Risks (Since Q2)	Closed Risks (Since Q2)
Adult & Community Service	3	0	0	3	0	0
Children & Young People Service	4	1	1	2	0	0
City Services	7	0	1	6	0	0
Education	8	3	4	1	0	2
Finance	7	0	0	7	0	0
Law & Regulation	3	0	0	3	0	0
People & Business Change	12	2	2	8	0	0
Regeneration, Investment & Housing	8	2	1	5	0	2

Service Area	Q3 Risks	Risk Scores Increased since Q2	Risk Scores Decreased since Q2	No Change since Q2	New Risks (Since Q2)	Closed Risks (Since Q2)
Total	52	8	9	35	0	4

Closed Service Area Risks

Three out of four risks closed at the end of quarter three were service area risks and summary is provided below:

Service Area	Risk	Risk Description	Risk Score (as at Q3 20/21)	Target Risk Score	Commentary
Education	Healthy Schools Grant Funding	Reduction in grant funding for Healthy Schools.	4	4	This risk achieved its target risk score and is being managed as part of business as usual.
	New Welsh Medium Primary School	Complete the establishment of a new Welsh Medium Primary School	1	6	The risk has achieved its target risk score and the school is on track now to open in September 2021 and final preparations are in progress.
Regeneration Investment & Housing	Norse Joint Venture Risk	Effective management of Norse Joint Venture is not in place to help support delivery of service.	6	6	This risk has achieved its target risk score and governance arrangements / monitoring of performance is taking place.

Corporate Risk Register Update (Quarter 3)

The role of the Corporate Management Team (CMT) is to determine whether the risk should be included on the Corporate Risk Register for monitoring or if the risk should remain in the service area(s) as a result of sufficient management action being undertaken to manage the overall risk.

Of the 52 risks, there are 18 risks that are recorded and monitored in the corporate risk register. Thirteen risks did not change score between quarter 2 and quarter 3. Two risk scores had increased and three risk scores had decreased. There was also one corporate risk closed since quarter two. These risks are:

- COVID-19 Pandemic Outbreak (Cross-cutting, led by People & Business Change)
- Stability of Social Services Providers (Adult & Community Services)
- Highways Network (City Services)
- Educational Out of County Placements (Education Services)
- Pressure on Adult & Community Services (Adult & Community Services)
- Ash Die Back Disease (City Services)
- Pressure on the delivery of Children Services (Children & Young People Services)
- Demand for Additional Learning Needs (ALN) and Special Educational Needs (SEN) support (Education Services)
- Balancing the Council's Medium Term budget (Finance Services)
- Schools Finance / Cost Pressures (Education Services / Finance Services)
- Cyber Security (People & Business Change)
- Pressure on Housing & Homelessness Service (Regeneration, Investment & Housing)
- Brexit – Trade Agreement (Cross Cutting, led by People & Business Change)
- City Centre Security and Safety (City Services / People & Business Change)

- In year financial management (Finance Services)
- Climate Change (Cross Cutting, led by Regeneration, Investment & Housing)
- Newport Council's Property Estate (Regeneration, Investment & Housing)
- Safeguarding (Cross Cutting, led by Children & Young People Services).

Closed Corporate Risk – Pressure on Housing Risk

At the end of quarter two, Regeneration Investment and Housing undertook a review of two Corporate Risks: Pressure on Housing Service; and Pressure on Homelessness Services. The service area proposed that the two risks were merged to reflect due to the close links between both areas and the impact that each other has on the overall service delivery. A proposal was taken to the Council's Corporate Management Team in December 2020 where it was agreed to merge the risks.

Change in direction of risk score (Quarter Three)

Risk	Service Area	Q2 Risk Score	Q3 Risk Score	Commentary
Demand for ALN and SEN provision	Education	12	16	During the Sept-Dec period 139 Formal Assessment requests were received. This increase has caused a pressure on Inclusion services. There is a growing number of pupils with complex needs entering our Schools, due to the pandemic some of these pupils did not access nursery or reception which has further delayed their progress. Due to the lack of capacity in the Inclusion service there is a very limited amount of preventative work offered to Schools. The Special Schools and the majority of primary Learning Resource Bases are at capacity. The ALN Implementation group will reconvene in the spring to review SEN funding to Schools.
Newport Council's Property Estate	Regeneration Investment & Housing	8	12	Increased probability of risk due to having undertaken the majority of condition surveys throughout NCCs operational estate.
Brexit	PBC	16	12	The risk score for Brexit has reduced from 16 to 12 reflecting the fact that the UK Government and EU agreed a tariff free trade deal. However, there remains risks in relation to the post Brexit arrangements and ensuring EU citizens living in the UK apply for EU Settled Status by 30 th June. Additionally, the economy remains in a precarious position due to Covid and new trade arrangements which could impact on short to medium term stability of business, labour market and consumer confidence from 2021 onwards.
Education Out of County Placements	Education	12	9	The Out of County budget and placements are very carefully monitored on a monthly basis. Additional local placements have been commissioned from Newport Live and Catch 22. Plans are being developed to expand Ysgol Bryn Derw to provide additional Foundation Phase placements.
Schools Finance / Cost Pressures	Education	16	12	Total sector budgets are now £2 million pounds in surplus due to schools being closed for prolonged periods of time. However without careful budget management school are still at risk of developing deficit positions. The total number of schools in deficit remains the same.

Appendix 2 of this report is the Council's Corporate Risk Register.

Financial Summary

There are no direct costs associated with this report.

Risks

Risk	Impact of Risk if it occurs* (H/M/L)	Probability of risk occurring (H/M/L)	What is the Council doing or what has it done to avoid the risk or reduce its effect	Who is responsible for dealing with the risk?
The Council does not achieve its objectives as corporate level risks are not adequately managed and monitored.	M	L	Risk Management Strategy has been adopted and mechanisms are in place to identify, manage and escalate emerging and new risks / mitigation strategies. Audit Committee oversight of risk management process.	Directors, Heads of Service and Performance Team

*Taking account of proposed mitigation measures

Corporate Plan 2017-22
Strategic Recovery Aims
Service Plans 2020/21

Robust risk management practices increase the chances that all of the Council's priorities and plans will be implemented successfully.

Options Available and considered

1. To consider the contents of this report and assessment of the risk management arrangements for the Authority, providing any additional commentary and/or recommendations to Cabinet.
2. To request further information or reject the contents of the risk register

Preferred Option and Why

1. Option 1 is the preferred option with recommendations raised by the Audit Committee to be considered and reported to Cabinet and Officers in accordance with the Council's Constitution.

Comments of Chief Financial Officer

There are no direct financial implications arising from this report. The corporate risk register forms an important part of the governance and budget setting arrangements for the council and the risk register is used to guide the internal audit plan. Risks that result in financial pressures will be reflected in established ongoing monitoring and MTFP arrangements.

Comments of Monitoring Officer

There are no specific legal issues arising from the report. As part of the Council's risk management strategy, the corporate risk register identifies those high-level risks that could impact upon the Council's ability to deliver its corporate plan objectives and essential public services. Although Audit Committee are responsible for reviewing and assessing the Council's risk management, internal control and corporate governance arrangements, the identification of corporate risks within the risk register and monitoring the effectiveness of the mitigation measures are matters for Cabinet.

Comments of Head of People and Business Change

Risk Management in the Council is a key area to implementing Wellbeing of Future Generations Act (Wales) 2015 and also provides assurance over our control and governance arrangements in the Council. As the report has highlighted, Covid 19 has had a significant impact on the delivery of Council services which have been managed through the Council's business continuity arrangements. As the Council is

moving towards recovery and operating in a 'new normal' emerging opportunities and risks will have an impact on how we deliver services both in the short and long term. Having an effective risk management system and culture will be important for the Council's Cabinet and senior officers to make evidence based decisions.

Comments of Cabinet Member

The Chair of Cabinet has been consulted and has agreed that this report goes forward to Audit Committee for consideration with Audit Committee comments and recommendations reported back to Cabinet in the next quarters update.

This quarter three Corporate Risk Register was reported to the Council's Cabinet on 10th March 2021.

Local issues

None.

Scrutiny Committees

Not Applicable. Audit Committee have a role in reviewing and assessing the risk management arrangements of the Authority.

Equalities Impact Assessment

Not applicable.

Children and Families (Wales) Measure

Not applicable.

Wellbeing of Future Generations (Wales) Act 2015

Under the Wellbeing of Future Generations Act (Wales) 2015 and its 5 ways of working principles this report supports:

Long Term – Having effective risk management arrangements will ensure that the opportunities and risks that will emerge consider the long term impact on service users and communities.

Preventative – Identifying opportunities and risks will ensure the Council is able to implement necessary mitigations to prevent or minimise their impact on Council services and service users.

Collaborative – The management of risk is undertaken throughout the Council and officers collaborate together within service areas, Corporate Management Team and the Council's Cabinet to ensure decisions are made in a timely manner and are evidence based.

Involvement – The Council's Risk Management process involves officers across the Council's service areas and Cabinet Members.

Integration – Risk Management is being integrated throughout the Council and supports the integrated Planning, Performance and Risk Management Framework. The Framework ensures that planning activities consider the opportunities and risks to their implementation and overall supports the delivery of the Council's Corporate Plan and legislative duties.

Crime and Disorder Act 1998

Not applicable.

Consultation

As above, the Risk Register is considered by Audit Committee and Cabinet.

Glossary

This document provides an explanation of terminology used in this report and supporting documents.

Risk Appetite – the amount of risk that Newport City Council is willing to seek or accept in the pursuit of the Council's long term objectives.

Inherent Risk Score – The level of risk in the absence of any existing controls and management action taken to alter the risk's impact or probability of occurring.

Residual Risk Score – The level of risk where risk responses i.e. existing controls or risk mitigation actions have been taken to manage the risk's impact and probability.

Target Risk Score – The level of risk (risk score) that Newport City Council is willing to accept / tolerate in managing the risk. This is set in line with the Council's overall risk appetite.

Risk Mitigation Action – Actions identified by the Risk Owner to respond to the risk and reduce the impact and probability of the risk of occurring.

Risk Mitigation Action (Red Progress Score) – Significant issue(s) have been identified with the action which could impact on the ability of the action meeting its completion date. Immediate action / response is required resolve its status.

Risk Mitigation Action (Amber Progress Score) – issue(s) have been identified that could have a negative impact on the action achieving its completion date. Appropriate line manager(s) should be informed and where necessary action taken.

Risk Mitigation Action (Green Progress Score) – The action is on course for delivering to the agreed completion date and within the agreed tolerances.

How the Council Assesses Risk

An assessment of the likelihood and impact of risk is important to measure, compare and monitor risks to ensure efficient use of resources and effective decision making. This assessment is carried out using the risk matrix as described below.

Risk Assessment Matrix

A Corporate Risk Register will contain the high level risks for the whole authority. In order to differentiate between these high level risks a 5x5 risk assessment matrix will be applied. The matrix is shown below and further detail is included in appendix 3.

Risks are scored using the scoring system for probability and impact and assigned a rating based on the tolerances set out in the matrix below

Impact Matrix

Score	Description	Impact Measures						
		Strategic / Policy	Operational / Business Continuity	Financial	Governance / Legal / Regulatory	Health & Safety	Reputational	Project Delivery / Savings / Benefits
5	Severe	Failure of a key strategic objective	Serious organisational / service failure that has direct impact on stakeholders including vulnerable groups. Service disruption over 5+ days.	<u>Corporate / Project</u> Unplanned and/or additional expenditure disturbance. Capital > £1M Revenue >£1M	Legislative / Regulatory breach resulting in multiple litigation / legal action taken on the Council (linked to Financial / Reputational Impacts).	Multiple major irreversible injuries or deaths of staff, students or members of public. (Linked to Financial / Reputational Impacts)	Severe and persistent National media coverage. Adverse central government response, involving (threat of) removal of delegated powers. Officer(s) and / or Members forced to Resign.	Project status is over 12 months from anticipated implementation date. Project(s) do not deliver the major benefits / savings identified in business case. This is linked to Financial / Strategic / Reputational Impacts
4	Major	Severe constraint on achievement of a key strategic objective	Loss of an important service(s) for a short period that could impact on stakeholders. Service disruption between 3-5 days.	<u>Corporate / Project</u> Unplanned and/or additional expenditure disturbance. Capital > £0.5M - £1.0M Revenue >£0.5M-£1M	Serious legislative breach resulting in intervention, sanctions and legal action. (Linked to Financial / Reputational Impacts)	Major irreversible injury or death of staff, student or member of public. (Linked to Financial / Reputational Impacts)	Adverse publicity in professional / municipal press, affecting perception / standing in professional /local government community Adverse local and social media publicity of a significant and persistent nature.	Project status is 6 to 12 months over from anticipated implementation date. Project(s) do not deliver major benefits / savings identified in business case. This is linked to Financial / Strategic / Reputational Impacts
3	Moderate	Noticeable constraint on achievement of a key	Loss and/or intermittent disruption	<u>Corporate / Project</u>	Significant legislative breach resulting in investigation.	Major reversible injury to staff, student or member of	Adverse local publicity /	Project status is 1 to 6 months over from

Score	Description	Impact Measures

Probability

Score	Probability	Criteria
5	Very likely 75% +	<p>Systematic Risks – Local evidence indicating very high probability of occurrence if no action / controls are in place. Risk is highly likely to occur daily, weekly, monthly, quarterly.</p> <p>Emerging Risks – National and Global evidence indicating very high probability of occurrence on local communities if no action / controls are taken. Risks are highly likely to occur within the next 5 years.</p>
4	Likely 51-75%	<p>Systematic Risks – Local evidence indicating high probability occur in most circumstances with near misses regularly encountered e.g. once or twice a year.</p> <p>Emerging Risks – National and Global evidence indicating high probability of occurrence on local communities if no action / controls are taken. Risks are likely to occur within the next 5-10 years.</p>
3	Possible 26-50%	<p>Systematic Risks – Local evidence indicating distinct possibility with circumstances regularly encountered and near misses experienced every 1-3 years.</p> <p>Emerging Risks – National and Global evidence indicating distinct probability of occurrence on local communities if no action / controls are taken. Risks are likely to occur within the next 10-15 years.</p>
2	Unlikely 6-25%	<p>Systematic Risks – Local evidence indicating low to infrequent near misses experienced every 3 + years.</p> <p>Emerging Risks – National evidence indicating low probability of occurrence on local communities if no action / controls are taken. Risks are likely to occur within the next 16-25 years.</p>
1	Very Unlikely	<p>Systematic Risks – Local evidence indicating risk has rarely / never happened or in exceptional circumstances.</p> <p>Emerging Risks – National evidence indicating very low probability of occurrence on local communities if no action / controls are taken. Risks are likely to occur within the next 16-25 years.</p>

Systematic Risks – Risks that are known or are becoming part of social, cultural, economic and environmental systems that govern our lives.

Emerging Risks – Risks that are further away, less defined and early stage of being known about.
