1 Recommendations to the Committee

The Committee is asked to

1. Consider the executive summary report, to scrutinise and review the progress of the key strategic priority work plans for VAWDASV within the corporate arrangements for the whole Council.
2. Determine if it wishes to make any comment / recommendations to Cabinet regarding the report and the how the Council is managing to incorporate all VAWDASV requirements within the Act

2 Context

Background

- 2.1 The Violence against Women, Domestic Abuse and Sexual Violence (Wales) Act 2015 places a duty on Local Authorities and Local Health Boards to publish a report of the progress made during each financial year in achieving the objectives specified in local/regional strategies. The

statutory responsibilities under the VAWDASV (Wales) Act 2015 are discharged through the VAWDASV Partnership Board and annual reporting against the regional strategy and delivery plan are submitted into Gwent Public Services Boards.

- 2.2 The Gwent Violence Against Women, Domestic Abuse and Sexual Violence (VAWDASV) strategy 2018 – 2023, approved by each of the Gwent Public Services Boards in 2018 prior to publication in May 2018, sets out Gwent’s aims against the six strategic priorities. This report describes the progress made against the Strategy in 2020/21. A glossary of abbreviations used within the document can be found at the end of the report for reference.
- 2.3 Through a structure of working groups the VAWDASV Partnership Board, ensures that the priorities identified in the regional Strategy translate into actions that can make a real difference to the well-being and safety of people living in Newport and across Gwent, both now and in the future.
- 2.4 Newport City Council are the host for the regional VAWDASV team.

Newport council Officers are involved in all the working groups that report into the VAWDASV partnership Board, as listed below:

- Gwent VAWDASV Strategic Delivery Group
 - Gwent Domestic Homicide Review (DHR) Planning Group
 - Gwent VAWDASV Communication and Engagement Group
 - Gwent VAWDASV Whole Education Approach Group
 - Gwent VAWDASV Commissioners Group
 - Gwent MARAC Steering Group
 - Gwent VAWDASV Perpetrator Response Group
 - Gwent VAWDASV Training Subgroup
 - Gwent VAWDASV Specialist Sector meeting
 - Gwent VAWDASV Community of Practice
- 2.4 To strengthen the work of the region and beyond, Gwent VAWDASV is represented on Welsh Government groups including: Sustainable funding group; National Training Framework Ask and Act Steering Group; Single Unified Safeguarding Review Steering Group and associated subgroups; All Wales Honour Based Abuse Leadership Group; and the Welsh Government (WG) Perpetrator Work Stream and associated task and finish groups. All learning from these groups is shared with Board and relevant subgroups and provides Gwent with the opportunity to raise any concerns with the appropriate members of Welsh Government.
 - 2.5 As Scrutiny is not a decision-making forum, the Scrutiny Committee’s review and subsequent comments / recommendations on this matter will be reported to the Cabinet for consideration and action.
 - 2.6 As Elected Members, and Scrutiny Members, the Committee has an important role in considering the arrangements that the Council has in place as a relevant authority within the VAWDASV Act. To ensure the Council is carrying out all key requirements of the Act to ensure citizens affected by VAWDASV have services available to them on a local footprint.

3 Information Submitted to the Committee

- 3.1 The Gwent VAWDASV Strategy has Six Strategic Priorities based on the Welsh Government National Strategy. Key headlines for 2020-2021 are highlighted below with the full VAWDASV Gwent progress report attached at section 8. A new Gwent VAWDASV Commissioning Board convened in November 2021 with the Director of Social Services of Newport Council as Chair, this Board will provide governance and oversight and hold all relevant authorities to account against the regional and national strategy and Acts.

- 3.2 2020-21 was an unprecedented year due to the impact of the COVID-19 pandemic, this resulted in reduced ability of victims and perpetrators to seek support and necessitated a change in practice for all partner organisations.
- 3.3 Despite media reports of increased calls to helplines in England, in Newport and across Gwent we saw a drop in police calls and referrals to specialist support services. As a response we worked with key partners to develop and share a social media campaign encouraging people to seek help and support.
- 3.4 Additional regional funding bids to Welsh Government and the Ministry of Justice were successful and allocated to support specialist sector organisations in Newport and wider Gwent. This included Barnardos Opening Closed Doors projects based in NCC that secured Home Office funding to continue their work with families affected by Domestic Abuse. Senior leaders in NCC were instrumental this year in securing sustainable partnership funding for the regional IDVA and MARAC coordination resource.
- 3.5 A regional conference was facilitated in March 2021 aimed at improving awareness of all forms of VAWDASV, including domestic abuse, coercive control, domestic homicide, honour-based abuse and forced marriage. 92 individuals from across Gwent and beyond attended during the day. With 16 of those from NCC. In September and October 2021, we followed this conference with a series of three regional group 6 seminars aimed towards senior leaders. 10 NCC senior leaders attended one or more of those sessions which demonstrates the commitment across the council for this agenda.
- 3.7 Representatives from NCC and wider Gwent have been instrumental in piloting a new approach for Domestic Homicide and other practice reviews, with a senior leader from NCC leading the work with Welsh Government on a Single Unified Review Process (SUSR), and piloting conducting Domestic Homicide Reviews using the Adult Practice Review methodology.
- 3.8 Newport Neighbourhood Care Networks led the implementation of the IRISi project across the region was agreed with a start date of 2021-22. This will enable early identification and referral via GP practices of domestic abuse.
- 3.9 Group 1 VAWDASV training saw a greatly increased update during 2020-21 in comparison with previous years with NCC reporting completion by 60% of the workforce. In their letter responding to the National Framework annual reports, Welsh Government states 'the average completion rate for the combined local authorities is: 68%', Newport City Council is currently 13 in the table of 22 local authorities across Wales in relation to Group 1 completions. Face to face training at Group 2 and 3 was significantly affected by the lockdown, however, 29 NCC staff completed Group 2 during the year.

4. Suggested Areas of Focus

Role of the Committee

The role of the Committee in considering the report is to:

- Establish whether associated key priorities and themes are appropriately addressed within the Action Plan (2021/2022) and planned actions are geared to meet the objectives within the timescale concerned.

- Consider whether an adequate monitoring and performance management framework and measures are in place to ensure an appropriate level of management on an ongoing basis and to consider possible arrangements for the Committee to implement.

4.1 Suggested Lines of Enquiry

The following broad lines of enquiry have been adapted from the Centre for Public Scrutiny / Improvement and Development Agency. ‘:

4.1.1 Partnership Working:

- Is the relationship between the Council and the newly formed Regional VAWDASV Commissioning Board clear and working effectively to improve outcomes for citizens in Newport?
- Scrutiny arrangements - Is the Scrutiny Committee for Partnerships aware of all relevant partnerships and are they included on their Forward Work Programme?

4.1.2 Quality and Performance:

- How is the Council and the Regional VAWDASV Board gathering and using the experiences of children, young people, and survivors of VAWDASV to inform improvements in community safety and immediate safeguarding arrangements?

4.1.3 Practice:

- Are members confident specialist sector services supporting victims, survivors, and perpetrators of VAWDASV well and are there adequate and effective early intervention or prevention services in place?
