Introduction

Newport City Council's Corporate Plan 2022-27 has four Well-being Objectives to support its mission to deliver *an Ambitious, Fairer, Greener Newport for everyone* and contribute towards Wales' Well-being Goals set in the Well-being of Future Generations Act. To support the delivery of these objectives and strategic priorities, each service area has developed their service plan. The People, Policy & Transformation Service Plan 2022-24 outlines its own priorities and how the service will contribute towards the Corporate Plan and deliver continuous improvement.

The People, Policy & Transformation (PPT) Service Area is part of the Council's Transformation & Corporate Directorate. The service area plays a critical role enabling the Council to develop, promote and deliver its strategic priorities; enable its staff to deliver its services across Newport, and transform its services to meet the needs of its residents, service users and staff. PPT is responsible for key corporate services such as Human Resources & Organisational Development, including health & safety, Policy & Partnership, Digital Services and Intelligence Hub, Assets, Communications and the Transformation team.

PPTs goal is to progress the strong work completed in the last five years for Newport Council to be an inclusive organisation which represents the people of Newport, enables communities to be involved in the decisions we make and to ensure fair and equitable access to our services (digital and in-person). This Plan also supports the wider work of Newport Council with its Gwent Public Services Board (PSB) partners across the region and in Newport through the delivery of the Gwent Well-being Plan. Additionally, we will also be supporting and delivering other partnership work throughout Newport working with communities and other stakeholders through its Safer Newport, Welsh Language and Equalities work.

As the Council has emerged from the pandemic and now the cost of living crisis, we will build upon the innovative and transformational work utilising our digital services and technology that will enable residents, businesses and other stakeholders to access the services when they need it. We will also support the organisation's staff to have the capability and capacity to work more flexibly across Newport and to use our buildings and assets more efficiently contributing towards the carbon reduction and delivery of the Climate Change Plan.

People, Policy & Transformation Objectives

Objective 1 - Enabling evidence based organisational transformation to improve the delivery and sustainability of service delivery to the communities of Newport.

Objective 2 - To have an inclusive organisation that supports and encourages its workforce's development, health and well-being and enables improved services delivered to the citizens of Newport.

Objective 3 - Newport City Council fosters a culture of collaborative working with partners (local and regional) which empowers communities and service users to improve the well-being and long-term sustainability of the city.

Objective 4 - Effective and sustainable management of assets and properties and support for the Council's goal of becoming a net carbon zero by 2030.
