

# Report

## Governance and Audit Committee

---

### Part 1

Date: 26 October 2023

**Subject** Internal Audit – Progress against audit plan 2023/24  
Quarter 2

**Purpose** This reports updates Members of the Governance & Audit Committee on progress in the completion of the 2023/24 agreed audit plan up to the end of the second quarter, by providing information on audit opinions given to date and progress against key performance targets.

**Author** Interim Chief Internal Auditor

**Ward** General

**Summary** The attached report identifies that the Internal Audit Section is making progress against the 2023/24 audit plan and internal performance indicators.

The original audit plan was based on 862 audit days.

**Proposal** 1) The report be noted by the Council's Governance & Audit Committee

**Action by** The Governance & Audit Committee

**Timetable** Immediate

This report was prepared after consultation with:

- Chief Financial Officer
- Monitoring Officer
- Head of People, Policy & Transformation

**Signed**

## Background

1. This report aims to inform Members of the Governance & Audit Committee of progress made on the completion of the agreed Internal Audit plan. Progress against the audit plan for the first 6 months of the year is reported here along with the performance of the team for that period.
2. The report also gives Members assurance (or otherwise) on the adequacy of the internal control environment operated within the Council by showing the audit opinions given on work undertaken at the end of Q2.

### Internal Audit Staffing

3. The team currently operates with an establishment of 6.5 audit staff. The Committee will be aware of the ongoing resourcing issues within the team. A verbal update will be provided at the Committee alongside this report.
4. The relationship with South West Audit Partnership (SWAP) continues, who provide external support with the undertaking of the audit plan. This currently consists of interim management support for two days per week, along with 130 days of audit delivery.

### Internal Audit Plan Delivery

5. The 2023/24 Internal Audit Plan was agreed by the Governance & Audit Committee on the 25<sup>th</sup> May 2023 and was based on 862 audit days. This included 48 new opinion related jobs, as well as 13 ongoing opinion jobs from 2022/23. All audit jobs which were ongoing at year end 2022/23 have now been completed.
6. The section's performance is measured against performance indicators set and agreed by the Welsh Chief Auditors' Group. Performance against these indicators is reported to the Governance & Audit Committee on a quarterly basis; the targets for each of the indicators were set internally by the previous Chief Internal Auditor. The performance for Quarter 2 2023/24 is outlined within **Appendix A**, which shows 23% of the plan has been completed (against a 30% target), whilst promptness of draft report issue (8 days vs. 10 day target) and report finalisation (3 days vs. 5 day target) remain within their targets.
7. Due to the resourcing challenges within the team, the delivery of opinion audit reviews has been prioritised. See **Appendix B** for an outline of all completed and live opinion jobs within 2023/24 and their current delivery status. Some outstanding non-opinion work was also completed within the quarter, as shown within **Appendix C**, however future non-opinion work has now been paused to enable greater focus upon opinion jobs.
8. Based on the current known staffing arrangements, it is expected that a total of 34 of the 48 new opinion jobs for 2023/24 will be completed by the end of March 24. This number will be able to increase should further recruitment activities be successful.
9. Audit opinions provided relate to the adequacy of internal controls within the system or establishment being reviewed. The opinion is derived from the balance of strengths and weaknesses identified from evidence obtained, and testing undertaken, during the audit. It is pleasing to note that there have been no *Limited* or *No Assurance* opinions provided in the current financial year.
10. Where *Limited* or *No Assurance* opinions are issued, they are followed up within a twelve month timescale to ensure that the agreed actions have been taken by management and that the internal control systems are improved. Two Follow Up reviews were completed within the

quarter, PTU Taxi Contracts, and Corporate Governance, both of which have now been provided with *Substantial* audit opinions following work to address weaknesses and improve control frameworks.

11. Definitions of the audit opinions used are shown at **Appendix D**.

#### Quality Control

12. On completion of all audit reviews, an evaluation questionnaire is sent out to the service manager with the final report. These questionnaires are returned in confidence to the Internal Audit team, with the information assessed and any negative comments addressed. Feedback received from service managers via these questionnaires has been very positive; this will continue to be collated throughout the year and fed into the annual audit report for 2023/24.

#### Financial Training

13. Three financial training sessions have been held so far this year. Future sessions are currently on hold to enable the prioritisation of opinion job delivery.

#### Public Sector Internal Audit Standards (PSIAS)

14. The Public Sector Internal Audit Standards (PSIAS) (IIA) came into force from April 2013 (updated March 2017) which the team needs to ensure it is compliant with as it carries out work in line with the audit plan.

15. A requirement of the PSIAS is for the Internal Audit team to be externally assessed once every five years to ensure compliance with these Standards. The most recent review took place in 2017/18; the outcome being that the team is compliant with the Standards, with no significant areas of non-compliance. The next review was due to take place at the end of 2023, however resourcing issues will require this to be delayed into 2024.

#### Service Management Responsibilities

16. Heads of Service and service managers are responsible for addressing any weaknesses identified in internal systems and demonstrate this by incorporating their agreed actions into the audit reports. When management sign off the reports, they are accepting responsibility for addressing the issues identified within the agreed timescales.

17. Although Heads of Service are responsible for implementing and maintaining adequate internal controls within service areas, operational managers are responsible for working within those controls and for ensuring compliance with Council policies and procedures. All reports, once finalised, are sent to the respective Heads of Service for information and appropriate action where necessary.

### **Financial Summary**

18. There are no financial issues related to this report.

### **Risks**

19. If the plan is not completed to an adequate level due to a lack of resource in the team, the Interim Chief Internal Auditor may have to qualify the year end assurance opinion provided to the Governance & Audit Committee. The audit plan has been reprioritised to help mitigate this risk.

Risk	Impact of Risk if it occurs* (H/M/L)	Probability of risk occurring (H/M/L)	What is the Council doing or what has it done to avoid the risk or reduce its effect	Who is responsible for dealing with the risk?
Audit Plan not completed	M	M	Audit work has been prioritised and an external provider (SWAP) are providing support.	Interim Chief Internal Auditor

\* Taking account of proposed mitigation measures

### Links to Council Policies and Priorities

20. Giving management assurance on systems in operation gives them confidence that there is sound financial management in place, that more effective services can be provided and the risk of theft, fraud and corruption is minimised. Better service provision, looking after the public pound makes our City a better place to live for all our citizens, hence Improving People's Lives.

### Options Available

21. This is a factual progress report and therefore there are no specific options to be considered. The quarterly reports provide a mechanism for monitoring the performance and progress of the Internal Audit team and the adequacy of the Council's internal control environment to ensure the public pound is spent wisely and appropriately and that fraud, theft and corruption is minimised.
22. The Governance & Audit Committee is asked to note progress on delivery of the audit plan and audit opinions given to date and ask questions, make observations and recommendations, as necessary.

### Preferred Option and Why

23. N/A

### Comments of Chief Financial Officer

24. This is a regular update report on the delivery of the annual audit plan. Staffing/resourcing challenges are having an impact on the delivery of this year's plan and external consultancy is assisting in this regard. The prospect of a limited assurance from the Chief Internal Auditor based on what opinion jobs have been completed is a potential prospect.

The Head of Finance and interim Chief Internal Auditor monitor the delivery of the plan closely to manage and mitigate, as far as possible the above risk.

A verbal update on recruitment and resourcing within the internal audit team will be given to the Committee.

### Comments of Monitoring Officer

25. There are no legal implications. The report has been prepared in accordance with the Council's internal audit procedures and the Performance Management Framework. The progress made to date in delivering the objectives set out in the approved Audit Plan highlights the effectiveness of the work undertaken by this service area in ensuring that adequate and effective internal financial controls are in place.

## Comments of Head of People, Policy and Transformation

26. Providing management assurance on systems gives the Council confidence that there is sound financial and operational management in place, that more effective services can be provided and the risk of theft, fraud and corruption is minimised. This supports delivery of the Council's Corporate Plan 2022-2027 and Annual Governance Statement.

### Local issues

27. N/A

### Scrutiny Committees

28. N/A

## Equalities Impact Assessment and the Equalities Act 2010

29. The Equality Act 2010 contains a Public Sector Equality Duty which came into force on 06 April 2011. The Act identifies a number of 'protected characteristics', namely age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation; marriage and civil partnership. The new single duty aims to integrate consideration of equality and good relations into the regular business of public authorities. Compliance with the duty is a legal obligation and is intended to result in better informed decision-making and policy development and services that are more effective for users. In exercising its functions, the Council must have due regard to the need to: eliminate unlawful discrimination, harassment, victimisation and other conduct that is prohibited by the Act; advance equality of opportunity between persons who share a protected characteristic and those who do not; and foster good relations between persons who share a protected characteristic and those who do not. The Act is not overly prescriptive about the approach a public authority should take to ensure due regard, although it does set out that due regard to advancing equality involves: removing or minimising disadvantages suffered by people due to their protected characteristics; taking steps to meet the needs of people from protected groups where these differ from the need of other people; and encouraging people from protected groups to participate in public life or in other activities where their participation is disproportionately low.

30. As this is a progress report on performance and audit opinions there is no need for an Equalities Impact Assessment. All audits are undertaken in a non-discriminatory manner.

## Children and Families (Wales) Measure

31. N/A

## Wellbeing of Future Generations (Wales) Act 2015

32. The role of Internal Audit supports the Council in complying with the principles of the Wellbeing Act and providing assurance on the activities undertaken across the Council. In compiling this report the principles of this Act have been considered:
- Long term** - The Internal Audit workload is based on an annual operational plan supported by a 5 year strategic plan that is aligned to the Council's Corporate Plan.
- Prevention** - Internal Audit identify strengths and weaknesses within the control environment of Newport City Council; addressing the weaknesses gives management the opportunity of preventing gaps in service provision getting worse. This should also minimise the potential for fraud, theft, loss or error.
- Integration** - Internal Audit opinions provide an objective opinion on the adequacy of the Council's corporate governance, internal control and risk management environment in operation and support sound stewardship of public money.

**Collaboration** - Internal Audit work in collaboration with operational managers to develop an appropriate action plan in order to address identified concerns.

**Involvement** - Heads of Service and Senior Managers are invited to contribute to the audit planning process each year in order to prioritise audit resources. The involvement of the Governance & Audit Committee provides assurance and oversight of an effective internal audit provision to carry out its duties.

## **Crime and Disorder Act 1998**

33. The work undertaken by Internal Audit should minimise potential fraud, corruption, theft or misappropriation within the Council. Allegations of potential criminal activity will be investigated and reported to the police where appropriate.

### INTERNAL AUDIT SERVICES – OPINION DEFINITIONS

	<b>SUBSTANTIAL</b>	A sound system of governance, risk management and control exists, with internal controls operating effectively and being consistently applied to support the achievement of objectives in the area audited
	<b>REASONABLE</b>	There is a generally sound system of governance, risk management and control in place. Some issues, non-compliance or scope for improvement were identified which may put at risk the achievement of objectives in the area audited
	<b>LIMITED</b>	Significant gaps, weaknesses or non-compliance were identified. Improvement is required to the system of governance, risk management and control to effectively manage risks to the achievement of objectives in the area audited
	<b>NO ASSURANCE</b>	Immediate action is required to address fundamental gaps, weaknesses or non-compliance identified. The system of governance, risk management and control is inadequate to effectively manage risks to the achievement of objectives in the area audited

Unqualified	<p>The Financial Statement is free from material misstatement and presents fairly the activities of the organisation.</p> <p>The terms and conditions of the grant funding have been complied with.</p>
Qualified	<p>There is a lack of supporting information or documentation to verify that that figures quoted in the Financial Statement fairly represent the activities of the organisation.</p> <p>The terms and conditions of the grant funding have not been fully complied with.</p>
