Background

1. Standards Committee have presented an Annual Report to the Council over the past 10 years, which provides information about the work carried out by the Committee during the previous 12 months, identifies particular issues that have arisen and sets out the forward work programme for the forthcoming year. The previous annual report was presented to Council on 22nd November 2022 and covered the 12-month period from November 2021 to November 2022.
2. Since May 2022, there has been a statutory requirement under the Local Government & Elections (Wales) Act 2021 for Standards Committee to make an annual report as soon as reasonably practicable after the end of each financial year and for full Council to consider that report within 3 months. The statutory report must describe how the Committee's functions have been discharged during the previous year and, in particular, must include a summary of any reports, actions or recommendations made or referred to the Committee. In addition, the Annual Report must include an assessment of the extent to which leaders of political groups on the Council have complied with their new duties to promote and maintain high standards of conduct within their groups. Copies of the Standards Committee Annual Report must also be provided to the Ombudsman and all of the local community councils.
3. In order to align with the financial year, as recommended by the Annual Report for 2021/22 to meet the new legislation, this report considers a shorter reporting period of December 2022 to March 2023.
4. A draft of the Annual Report for 2022/23 is attached for comment and approval prior to its presentation to the next meeting of full Council on 28th November 2023.
5. The Report confirms that, once again, no serious complaints of misconduct were referred to the Standards Committee by the Ombudsman during the period December 2022 and March 2023 and no complaints were referred for determination by the Committee under Stage 3 of the Local Resolution Protocol.
6. The training requirements for City Councillors, community councils and their clerks will continue to be monitored as part of the Committee's forward work programme. The Committee will also be undertaking a review to ensure that all mandatory training has been completed and that all declarations of acceptance of office and registers of members' interests have been completed properly, following the May elections
7. The Annual Report also contains a draft forward work programme for the forthcoming 12 months.
