## Cabinet

---

### Part 1

Date: 17 July 2024

**Subject** Cabinet Work Programme 2024/25

**Purpose** To report and agree the details of the Cabinet's Work Programme.

**Author** Governance Team Leader

**Ward** All Wards

**Summary** The purpose of a work programme is to enable Cabinet to organise and prioritise the reports and decisions that are brought to each meeting. Effective forward planning by Cabinet also impacts positively upon the Council's other Committees, in particular Scrutiny, because work needs to be coordinated on certain reports to ensure proper consultation takes place before a decision is taken.

This current work programme runs to May 2025, but it is a working document. It is important that the work programme is owned and prioritised by Cabinet Members directly, so each month the Governance Team Leader brings a report updating Cabinet on any changes, so that the revised programme can be formally approved.

The updated work programme is attached at Appendix 1.

**Proposal** To agree the updated work programme for 2024/25

**Action by** Governance Team Leader

**Timetable** Immediate

This report was prepared after consultation with:

- Chief Officers
- Monitoring Officer
- Head of Finance
- Head of People, Policy and Transformation

## Background

The purpose of a work programme is to enable Cabinet to organise and prioritise the reports and decisions that are brought to each meeting. Effective forward planning by Cabinet also impacts positively upon the Council's other Committees, in particular Scrutiny, because work needs to be coordinated on certain reports to ensure proper consultation takes place before a decision is taken.

The Wales Audit Office's Corporate Assessment of Newport City Council, published in September 2013, highlighted the need to "strengthen committee work programming arrangements to ensure they are timely, meaningful, informative, transparent, balanced, monitored, and joined up". Since that report was published, these monthly reports have been introduced to provide Cabinet with regular updates on its work programme, and the opportunity to comment upon and shape its priorities as an executive group. The Democratic Services team have also been working to improve the links between this and other work programmes under its management (eg Council, Scrutiny, Audit) to ensure the various programmes are properly coordinated.

The current work programme runs to May 2025, but it is a working document. It is important that the work programme is owned and prioritised by Cabinet Members directly, so each month the Cabinet Office Manager brings a report updating Cabinet on any changes, so that the revised programme can be formally approved.

The updated work programme is attached at Appendix 1.

There are no financial implications in adopting a programme of work.

### **Comments of Monitoring Officer**

There are no legal implications in adopting a programme of work.

### **Scrutiny Committees**

Monthly update reports allow the Scrutiny and Cabinet work programmes to be better coordinated. ### **Equalities Impact Assessment and the Equalities Act 2010**

This does not apply to this procedural report.

### **Children and Families (Wales) Measure**

This procedural report does not impact on Children and Young People although certain reports contained in the programme may do and will need appropriate consultation and comment when they are presented to cabinet.

### **Wellbeing of Future Generations (Wales) Act 2015**

This is a procedural report but reports contained within the programme will need to show how consideration has been given to the five things public bodies need to think about to show they have applied the sustainable development principle put into place by the Act.
