Background

1. This report aims to make Members of the Audit Committee aware of the Council's Internal Audit Charter in order to enable them to make an informed decision to approve The Charter in line with the expectations of the Public Sector Internal Audit Standards (PSIAS)..
2. The purpose of this Charter is to define what Internal Audit at Newport City Council is and explain its purpose, authority and responsibility.
3. This Charter has been written in accordance with Standard 1000 of the Public Sector Internal Audit Standards (PSIAS) which came into force from April 2013.
4. The Public Sector Internal Audit Standards 2013 (PSIAS) defines Internal Audit as:

"... an independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes."
5. A professional, independent and objective Internal Audit service is one of the key elements of good governance.
6. Internal Audit has specific responsibilities and rights of access to people and documents written into the Council's Financial Regulations which are included within The Charter, along with its objectives, roles and responsibilities, the staff involved and how it demonstrates its organisational independence. The expectations and responsibilities of the Chief Internal Auditor are also included within The Charter.
7. The Charter reinforces the point that Internal Audit provides assurance to Members and Senior Management and should not be involved with operational matters of service delivery. It includes an important reference to the Code of Ethics for those working within the team in that they need to conform with the principles of Integrity, Objectivity, Confidentiality and Competence and have due regard to the 'Seven Principles of Public Life (Nolan Principles)' when undertaking their duties.
8. The expectations of how Internal Auditors will approach their work in terms of due professional care, integrity, independence, impartiality is written into The Charter; the work itself being delivered through an Audit Strategy and an Annual Audit Plan. The reporting and quality assurance processes are also included, along with how relationships with the team's stakeholders will be developed.
9. Dealing with Fraud and Irregularities is an important part of what the Internal Audit Team does in order to safeguard public money; it is important to include this aspect of its work within The Charter. How the Internal Audit Team will be resourced and continually developed through training has also been included within The Charter.
10. The intention is to maintain The Charter as a working document, which from time to time, will need to be refreshed and updated; The Internal Audit Charter will therefore be reviewed periodically by the Chief Internal Auditor and presented to Senior Management and the Audit Committee for approval.

CHARTER

Version: Draft 06
Date: October 2015
Author: Andrew Wathan, Chief Internal Auditor

INTERNAL AUDIT CHARTER

1. Introduction

- 1.1 The purpose of this charter is to define what Internal Audit is and explain its purpose, authority and responsibility.
- 1.2 This Charter has been written in accordance with Standard 1000 of the Public Sector Internal Audit Standards (PSIAS).

'board' – the Audit Committee
'senior management' – the Senior Leadership Team which is made up of the Chief Executive, Strategic Director Place, Strategic Director People, Head of Finance and the Head of People and Business Change.

Definition

- 2.1 The Public Sector Internal Audit Standards 2013 (PSIAS) defines Internal Audit as:
"... an independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes."
- 2.2 A professional, independent and objective Internal Audit service is one of the key elements of good governance.

Scope

- 2.3 Financial Regulations 5.4 states:

- secure and prevent access to any equipment and records subject to an immediate report to the relevant Head of Service or Strategic Director.
- 2.4 The scope of Internal Audit allows for unrestricted coverage of the Authority's activities in order to review, report and provide the appropriate assurance based on its reviews to the Audit Committee. Internal Audit shall also have unrestricted access to all records and assets deemed necessary by auditors in the course of an audit. In addition, Internal Audit, will have unrestricted access to:-
- the Audit Committee
 - the Chief Executive
 - the Leader of the Council
 - Members of the Council
 - individual Chief Officers
 - all Authority employees.
- 2.5 Such access to records, access and personnel may be limited to certain named individuals as agreed with the Chief Internal Auditor where highly sensitive or confidential information is involved.

Authority

- 2.6 The authority of the internal audit function is derived from legislation. The requirement for an internal audit function for local authorities is implied by Section 151 of the Local Government Act 1972, which required that authorities shall *'make arrangements for the proper administration of their financial affairs and shall ensure that one of their officers has responsibility for the administration of those affairs'*. The Accounts and Audit (Wales) Regulations 2005 requires that *'A local government body shall maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with proper practices in relation to internal control'*.
- 2.7 Newport City Council has delegated these responsibilities to the Head of Finance.

3. Objectives

- 3.1 Internal Audit's main objectives are to:
- provide a quality, independent and objective audit service that effectively meets the Council's needs, adds value, improves operations and helps protect public resources

- investigate allegations of fraud, bribery, corruption and other irregularities
- to liaise with the police where criminal activities are suspected.

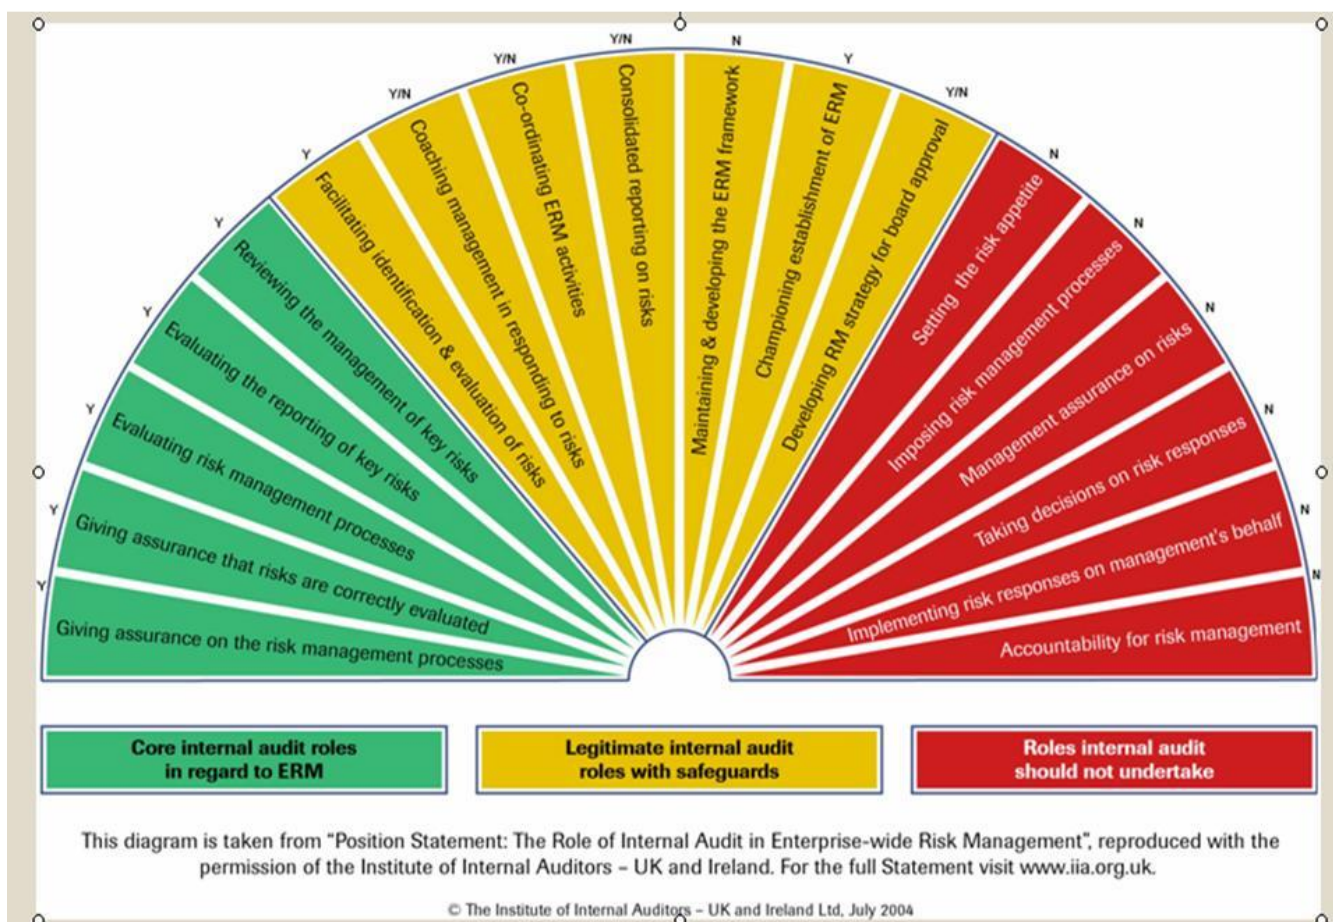

4. Roles & Responsibilities

Role of Internal Audit

4.1 To meet Internal Audit objectives, internal auditors are responsible for:

- reviewing and assessing the soundness, adequacy and reliability of financial and non-financial management systems and operations
- reviewing and assessing the effectiveness of internal controls
- assessing the appropriateness of management action for improvement, where appropriate
- reviewing and assessing procedures to check that the Council's assets and interests are adequately protected and risks are identified and effectively managed
- checking for compliance with legislation, Council policies and procedures
- promoting and assisting the Council in the effective use of resources
- ensuring governance and risk management processes are effective and robust
- undertaking independent investigations into allegations of fraud and irregularity in accordance with Council policies and procedures and relevant legislation.

Provision of the Internal Audit Function

4.2 The Internal Audit Function is provided 'in house' and consists of the Chief Internal Auditor, 2 Audit Managers, 2 Principal Auditors, 3 Senior Auditors and 2 Auditors. The team comprises of professionally qualified and part qualified accountants and auditors (CIPFA, ACCA, IIA, AAT). The Chief Internal Auditor operates in collaboration with a neighbouring local authority dividing his time on a 60:40 basis between Newport and Monmouthshire.

Organisational Independence

4.3 PSIAS Standard 1100 states that the Chief Internal Auditor must report to a level within the organisation that allows the internal audit activity to fulfil its responsibilities. The Chief Internal Auditor will confirm to the Audit Committee, at least annually, the organisational independence of the internal audit activity.

4.4 Organisational independence is effectively achieved when the Chief Internal Auditor reports functionally to the Audit Committee. The Audit Committee is required to:

- approve the Internal Audit Charter;
- approve the risk based Internal Audit Annual Plan;
- receive communications from the Chief Internal Auditor on the internal audit activity's performance relative to its plan and other matters;
- make appropriate enquiries of management and the Chief Internal Auditor to determine whether there are inappropriate scopes or resource limitations.

Management Structure

4.5 Internal Audit is part of the Finance Service Area, with the Chief Internal Auditor reporting directly to the Head of Finance. However, in order to maintain its independence Internal Audit has a right of access to the Chief Executive and/or the Leader of the Council and/or the Chair of the Audit Committee should circumstances warrant it. In addition, there is a right of access to Councillors as a matter of last resort. The Chief Internal Auditor also reports in his own name. Internal Audit does not carry out any non-audit functions and has operational independence.

4.6 The Chief Internal Auditor is responsible:

- in managerial terms to the Head of Finance
- for the performance of the Internal Audit Service to the Audit Committee
- providing a level of assurance, or otherwise, to the Audit Committee.

4.7 The Chief Internal Auditor's responsibilities to the Audit Committee include:

- presenting for approval the Internal Audit Charter
- presenting and obtaining approval of the risk-based annual audit plan
- reporting quarterly on the work undertaken by Internal Audit
- reporting any serious weaknesses found in the internal control systems, governance or risk, and any instances where corrective action has not been taken by management
- reporting any instances where responses to audit reports have not been received within a reasonable timescale of the issue of draft and/or final audit reports, and any instances where agreed management actions have not been implemented within an acceptable time period
- providing an annual audit opinion of the overall adequacy and effectiveness of the Council's internal control environment.

4.8 The Audit Committee responsibilities are in accordance with the Committee's terms of reference.

5. Code of Ethics

5.1 The Internal Audit Service operates in accordance with the Public Sector Internal Audit Standards 2013 (PSIAS) by:

- ensuring that all internal auditors conform to the Code of Ethics principles of integrity, objectivity, confidentiality and competency
- implementing the Attribute and Performance Standards as detailed in Section 5 of the Standards

5.2 Internal Audit staff are required to make an annual affirmation of their knowledge of, and compliance with, the PSIAS Code of Ethics and must also have regard to The Committee on Standards in Public Life's *Seven Principles of Public Life* (Nolan Principles).

6. Service Standards

What you can expect from us:

6.1 Internal Auditors will, at all times, exercise due professional care, act with integrity and take a professional, reliable, independent and innovative approach to their work. It is essential that auditors are impartial so that when an audit opinion is requested it will be unbiased and based upon the facts available. Should a situation arise where impartiality could be questioned, then another auditor will be assigned to undertake the task concerned.

6.2 Where an auditor was previously employed within a service/area subject to audit then the Chief Internal Auditor will ensure that the auditor concerned is not assigned audits in that area until an appropriate amount of time has lapsed.

Audit Strategy

6.3 The Chief Internal Auditor prepares a risk-based audit strategy and translates this into a five year rolling plan that shows cyclical coverage of audits. Where there is a difference between the strategy/plan and resources available, this is reported to the Audit Committee.

Annual Audit Plan

- 6.4 To implement the audit strategy, an annual audit plan is established using a risk-based assessment methodology. The plan determines in broad terms the resources and skills needed, and is used for allocating auditors' work. Should the plan indicate a need for additional resources, this will be discussed with the Head of Finance. Heads of Service / Managers are consulted on the audit plan during the planning process and asked if there are any areas or work they wish specifically to be incorporated into the audit coverage. The plan is flexible and includes a contingency to allow for changes in priorities, emerging risks, ad hoc projects, fraud and irregularity, etc.
- 6.5 The Annual Internal Audit Plan is reported to and endorsed by the Audit Committee.

What we expect from you

- 6.6 Managers and staff should co-operate with the auditors, and responses should be made to draft reports within 10 working days of issue of report. Where a response is not forthcoming a reminder will be issued. However, if a response is not received then the matter will be referred up to the next level of management, and ultimately to the Head of Service, Strategic Director, Chief Executive or Audit Committee, as appropriate.

7. Reporting

Audit Reports

- 7.1 All audit assignments will be the subject of formal reports. Where appropriate draft reports will be sent to the managers responsible for the area under review for agreement of the factual accuracy of findings. After agreement, the final reports will be issued to the relevant Head of Service. All reports will be issued on behalf of the Chief Internal Auditor and will contain a corresponding audit opinion.

Audit reports:

- show the findings based on a risk assessment e.g. high, medium and low or may be advisory (a finding that does not have a risk impact but has been raised to highlight areas of inefficiencies or poor practice)
- include an action plan showing the agreed management actions and the target date for implementation
- give an opinion of the system as at the time of the audit based on the evidence available at that time
- define the circulation of the draft and the final reports
- all reports will be issued on behalf of the Chief Internal Auditor.

7.2 Audit report circulation/Reporting structure:

- Operational managers receive a draft report for discussion followed by the final report
- Heads of Service will receive a copy of all final reports within their service area
- Chief Executive and Senior Leadership Team will receive a copy of all quarterly update reports presented to the Audit Committee and can request individual reports as required.

Reporting Standards

7.3 Upon completion of audits, draft audit reports are internally quality reviewed and issued to the relevant line managers for them to confirm the accuracy of the audit findings. Managers are invited to contact the auditor if they wish to discuss the report and asked to show their response to the significant weaknesses raised in the draft report. For agreed management actions, dates for action or implementation are recorded in the report and the action plan. The managers' responses are recorded in the final report.

7.4 In accordance with professional standard (2500 Monitoring Progress), follow-up audits are undertaken to ensure that the agreed controls and actions have been implemented by management.

7.5 Any agreed management actions not implemented within a reasonable timescale and any 'high' risk weaknesses that are not accepted will be reported to the Audit Committee in accordance with the committee's terms of reference.

7.6 Internal Audit works to the reporting quality standards of:

- draft audit reports to be issued within 10 working days of the completed audit job being reviewed
- final audit reports to be issued within 5 working days of the discussion of the draft audit report
- agreed action plans within final reports to be followed-up within 12 months of the date issue of the final audit report, to ensure that the agreed management actions due for implementation have been established.

8. Quality Assurance

8.1 The Chief Internal Auditor will maintain a process of review of the Internal Audit Service to provide reasonable assurance that its work conforms with the relevant standards and to the requirements of this document. Internal assessments will include:

- on-going monitoring of the performance of the service including ensuring there is adequate supervision of work performed

- 8.4 Audit reports are reviewed by a senior member of staff / peer reviewed prior to issue. All reports are issued by the Audit Manager (or Chief Internal Auditor).

Where issues could cause embarrassment to the Council, the appropriate manager will be advised immediately so that the issue can be addressed without delay.
- 9.2 Internal - the main contacts are with: Council employees, operational managers, Heads of Service, Strategic Directors and the Chief Executive. Internal auditors will ensure that they explain to the person/s concerned the purpose of the audit and the various stages that the audit will follow. Internal Audit will agree with the manager concerned the timing and scope of the audit and the circulation of the audit report.
- 9.3 Councillors – the main means of communication between Internal Audit and Councillors is via the Audit Committee which meets 7 times per year.
- 9.4 External – Internal Audit will liaise with the external auditors in order to:
- foster a co-operative and professional working relationship
 - eliminate the incidence of duplication of effort
 - ensure appropriate sharing of information
 - co-ordinate the overall audit effort.

10. Fraud & Irregularities

- 10.3 However, no level of controls can guarantee that fraud will not occur, even when the controls are performed diligently with due professional care.
- 10.4 Where there is evidence or reasonable suspicion that a fraud or irregularity has occurred, then this must be reported immediately to Internal Audit. All cases will be dealt with in accordance with the Council's '*Anti-Fraud, Anti – Bribery and Anti-Corruption Strategy*' and '*Whistleblowing Policy*'.

11. Audit Resources

- 11.1 The staffing structure of Internal Audit will comprise a mix of qualified, technician, trainee and auditor posts with a mix of professional specialisms to reflect the varied functions of the section.
- 11.2 As far as is practicable, Internal Audit will not participate in the day-to-day operation of any systems of internal control. However, in strict emergency situations only, audit personnel may be called upon to carry out non-audit work on a short-term basis.
- 11.3 Members of the Internal Audit Section will be expected to contribute to the general management and conduct of business through membership of working groups and participation in ad hoc exercises.
- 11.4 Members of the Audit Team annually declare any potential conflicts of interests and do not participate in any activity or relationship that may impair or be presumed to impair their unbiased assessment.

12. Audit Training

- 12.1 Internal auditors must enhance their knowledge, skills and other competencies through continuing professional development (Standard 1230).

- 12.2 The Chief Internal Auditor will carry out a continuous review of the development and training needs of all audit personnel and will arrange in-service training covering both internal and external courses. This will complement the Council's 'My Review' process.
- 12.3 The Internal Audit Team will continue to co-ordinate training for internal auditors across 16 South Wales internal audit teams on behalf of the South Wales Chief Auditors Group; a sub group of the Welsh Chief Auditors Group. An annual training programme will be proposed and delivered.
