Risks

If proper work programming procedures are not put in place, the organisation and prioritisation of the work programme is put at risk. The work of the Audit Committee could become disjointed from the work of the rest of the Council, which could undermine the positive contribution Audit Committee makes to service improvement.

This report is presented to each Committee every month in order to mitigate that risk. The specific risks associated with individual topics on the work programme will need to be addressed as part of the Committee's investigations.

Comments of Chief Financial Officer

There will be financial consequences for some of the reviews undertaken. These will be commented upon as the reports are presented. The preparing and monitoring of the work programme is done by existing staff for which budget provision is available.

Comments of Monitoring Officer

I have no comments, as there are no legal implications.

Staffing Implications: Comments of Head of People and Business Change

There are no staffing implications within this report. Any staffing implications of the reviews in the work programme will need to be addressed in individual reports.
