Part 1

Date: Wednesday 26th May 2021

Subject Draft Accounts Report 2020/21

Purpose To confirm the out-turn for the Crematorium service / Joint Committee and approve the resulting 'Annual Return' for 2020/21, prior to audit

Author Joanne Hazlewood

Ward General

Summary To provide the Committee with the 'Annual Return' draft accounts for 2020/21 and explanation of the more significant variances from budget

Appendix:

Appendix 1 Annual Return 2020/21

Appendix 2 Summary out-turn analysis and key variance

Proposal Members are asked to receive and approve the draft accounts position, and note that a distribution of £950,000 was made to Councils as agreed, in line with budget expectations.

Action by Head of Finance

Timetable Draft annual return to be approved by Committee by 31 May, prior to Audit.

This report was prepared after consultation with:

Background

At the last Committee meeting held in January, the projected out-turn was £171k in deficit. This was reported based on the downfall in income levels to budget, throughout the year, and the increasing premises related costs, due to essential cremator repairs/maintenance. The Committee agreed to maintain a distribution of £950,000, and to fund any deficit from the Committee's balances, if required.

The draft out-turn position is showing a surplus of £63,028, and the variance to forecast has come about by increasing levels of income in the last quarter of the year, but also the forecast in January was including the year end accrual adjustment that took out March income, paid in April.

Appendix 2 highlights the variance between draft out-turn position and budget, which showed a surplus of £149,249. Overall compared to the previous year, income levels are still lower, despite there being a pandemic. The additional premises costs incurred during the year, can be attributed to £56k to install a new roof. This expenditure was approved by Committee, as part of the overall programme of required works, and has reduced the overall surplus, and therefore the Committee's balances. The underspend in supplies and services, is due to there being no purchase of stone burial memorials within the financial year.

Risks

The accounts are prepared in accordance with required codes of practice and notes relating to risks are included where appropriate

Links to Council Policies and Priorities

The overall aim of the recommendation is to ensure that reserve levels can continue to support the delivery of the Cremation service, and protect the financial health of the service.

Options Available and considered

The out-turn position shows that after making a distribution of £950,000 the surplus will increase balances by £63,028, to a total of £1,437,303 going forward into 21/22. The overall distribution to Councils will have been made in accordance with agreed budget expectations.

The Committee has the following options available:

- a) Agree a distribution of the additional surplus of £63,028
- b) Increase balances held by the Committee by £63,028

Preferred Option and Why

The preferred option is to increase the balances held by the Committee, to enable the ongoing programme of essential works, previously agreed by Committee.

Comments of Chief Financial Officer

It is pleasing to note the improved position resulting from increased income in the last quarter of the financial year which will mean that no drawdown from reserves are required to fund the distribution of surpluses to Councils at budgeted levels.

A relatively small increase in reserves levels will be achieved from the position as shown and given the already good level of reserves, the Committee could agree to distribute this as an additional distribution though the amounts per Authority would be very small. On balance therefore, it would also be reasonable to retain this and increase reserve levels and the Committee could review this again by way of a 'higher than budgeted' distribution in 2021/22, taking account of the financial position / forecasts when that is being considered as well as further understanding of the improvements / maintenance of the crematorium.

Comments of Monitoring Officer

There are no legal issues arising from this report

Comments of Head of People and Business Change

There are no HR or People and Business Change related matters arising from this report.

Comments of Cabinet Member

It is pleasing to note the surplus position at year end

In the main, this is not applicable as the accounts are a backwards looking document, reporting on facts as at 31st March 2021. In saying this, the Committee are mindful of the Act when considering financial issues and the reserves and provisions in the Crematorium accounts and how these contribute to the achievement of the Act, in particular securing financial resilience and managing risks.
